The 2016 Riverside Zombie Crawl Adds Pokémon Zombies

Saturday, Oct. 15 • Downtown Riverside

This year will see something new added to the Riverside Zombie Crawl – Pokémon Zombies. Downtown Riverside is a designated site for Pokémon Go Third Saturday, which takes place from 10am to 2pm, and features individual play at Pokestops and team play at gyms. Pokémon Trainers attending PGTS are encouraged to come dressed as a Zombie version of their favorite Pokémon character and then stay to enjoy the Riverside Zombie Crawl afterwards.

The Riverside Zombie Crawl will be held on Saturday, Oct. 15 (October's third Saturday) from 2pm to 6pm on Main Street between the City Hall Breezeway at 9th Street and University Avenue. DJ Albert Figueroa will return to MC the event and provide suitably spooky music while attendees enjoy zombie themed carnival games with prizes sponsored by Riverside Art on Main. All activities are family friendly and free.

Other activities will include children's Halloween crafts provided by DragonMarsh, face painting and balloon art, and a costume contest for three age categories: Ages 2 to 8, 9 to 15, and 16 and up. Registration for the costume contest will begin at 2pm through 4:45pm with the contest taking place at 5pm. Participants will be judged on creativity, originality, and attention to theme with Halloween themed first, second, and third place prizes.

And, of course, the Zombie Crawl wouldn't be complete without a

Zombie Crawl parade at 4:30pm. Participants can choose to 'crawl' with either Zombies or Survivalists and defend their side.

Before and after the event, visit downtown restaurants ... some may even have brains on their menu or specials for those in costume.

McCORMICK'S Palm Springs Classic Car Auction

Now In Its 30th Year

From a very humble beginning some 30 years ago, with just over 200 classic cars entered compared to this November's 18-19-20 Auction of now near 600 classic cars, McCormick's Classic Car Auction has just continued to grow at an outstanding pace. The event has now gone full circle returning to the Palm Springs Convention Center on a purpose built area to accommodate some \$15 million in classic cars up for bidding.

A family run business that employs 120 part-time people at each event, with many staff being with the company since year one, is a testimony to good honest business practices. Just over 70% of all cars entered find new homes. Cars range in price from \$5,000 to over \$200,000+. Attendance at each event gets close to 20-thousand enthusiasts.

"Tire kickers and dreamers are more than welcome, because these people one day become buyers," said Keith McCormick, founder and Chairman of the company.

The auction has sold cars from the rich and famous and even the infamous, like the OJ Simpson white Bronco and numerous Elvis owned classics. **IER**

Gates open at 8am on Friday, Saturday and Sunday, and runs through the evening. Call (760) 320-3290 for more details or check the entry list out at classic-carauction.com.

The Big Bear Lake Oktoberfest celebrates 46 years of German style family fun and good times. Southern California's #1 Oktoberfest, this fall's festival once again will expand the entertainment line-up to feature three bands from Germany providing event more authentic entertainment.

The Big Bear Lake Oktoberfest has continuously expanded its entertainment offerings over the past five years, providing guests with a wide variety of music, dance groups and contests. Combined with the outside Spaten Rocktoberfest stage, Oktoberfest visitors enjoy traditional German bands and a variety of country, classic rock and blues bands.

Oktoberfest guests over the years have participated in FREE contests including Log Sawing, Steinholding, and Beer Pong. Traditionally, the Big Bear Lake Oktoberfest provides more than 80 opportunities for guests to participate in a contest over the eight weekends. This year, the contest schedule expands to include more contests on Saturdays. Additional Log Sawing and Steinholding contests have been added to the outdoor Spaten Rocktoberfest stage. As always, sign-ups are taken the day of the contests and are limited to a first come basis.

Oktoberfest once again gets "Unplugged" an additional Friday night. Fans will be treated to an intimate inside look into the history and early beginnings of Oktoberfest while enjoying a night of fine German food and beer. The five-course German dinner will be paired with a variety of German beers and spirits. Entertainment includes story telling by the Uber-Burgermeister and founder of Big Bear's Oktoberfest, Hans Bandows, as well as several of the event's original and present day personalities.

One of the country's most authentic Oktoberfest celebrations, Oktoberfest offers non stop entertainment, dancing and zany German antics exclusive to Big Bear's festival. Other Oktoberfest festivities include carnival games, bounce houses, Samson - the mechanical bull, and the Buden Strasse (Ave. of the Booths) which provides a variety of vendors.

The annual fall celebrations kicks off with American's Hero Weekend on Saturday, Sept. 10 offering FREE admission for all past/present military and their immediate families, as well as firefighters and law enforcement. The

festival closes on Saturday, Oct. 29 with annual costume contests for both adults and children.

The Big Bear Lake Oktoberfest provides an excuse to enjoy a weekend away from the stress and obligations of everyday life in a beautiful alpine setting. The festival takes place high in the San Bernardino mountains, approximately two hours away from the greater Los Angeles, Orange County and San Diego communities. MainStreet Theatre Company Opens 11th Season with 'Stuart Little'

→ October 1st at the Lewis Family Playhouse!

MainStreet Theatre Company, recently included in American Theatre Magazine's list of "20 Theatres you should take your kid to," opens its 11th season of theatre for young audiences productions, with *Stuart Little*. The strictly limited engagement, geared for audiences aged 4 and up, opens October 1st and runs through October 16th.

The play, adapted by Joseph Robinette from E.B. White's cherished 1945 novel about a mouse named Stuart who is born into a typical New York family, will be performed in a "story theatre" style, where the actors talk directly to the audience as well as play multiple characters. The excellent cast of Los Angeles based Equity actors includes Scott McLean

Harrison as Stuart, with Joshua Wolf Coleman, Mark Jacobson, Amanda Pajer, and Jane Noseworthy portraying all of the people and animals that Stuart meets on his many adventures.

MainStreet is thrilled to welcome back award-winning director Art Manke, who is well known to Southland audiences for his many productions at South Coast Repertory Theatre, the

Pasadena Playhouse, and others. He previously directed *Elephant & Piggie's: "We are in a Play!"* and *Sleeping Beauty: The Time Traveler* for MainStreet.

The scenic design, also by Art Manke, will use old-fashioned wooden blocks as inspiration. The audience's imagination, boosted by gorgeous lighting by Josh Epstein, will transform blocks of various shapes into the various locations along Stuart's journey. Angela Balogh Calin's clever costumes will help the actors switch between the many characters they'll each play, which include an array of birds, cats, and dogs, as well as people. Props are by Glenn Michael Baker, and Mary K. Klinger is Production Stage Manager. Adding to the creativity of this production, MainStreet has commissioned composer Deborah

Wicks-La Puma to write an original underscore, which will augment both the emotion and the humor in the story. Theatre-goers will be familiar with some of Ms. La Puma's many musicals for young audiences, including *Elephant & Piggie's: We are in a Play!* which MainStreet produced in the 2015/16 season.

Six unemployed steelworkers battle against their own insecurities and anxieties to make money and redeem their pride the only way they can think how – by becoming male strippers! But these Average Joes can't gather a crowd of paying patrons without doing something drastic, like taking everything off. They must find the strength within themselves in order to overcome

CALIFORNIA STATE UNIVERSITY, SAN BERNARDINO

CSUSB Theatre Arts Department Presents The 2016-2017 Season

*Journey through the looking glass, off to war
and around the Broadway musical world*

CSUSB's Department of Theatre Arts proudly presents the 2016-2017 season, featuring a diverse array of plays, both classic and contemporary, that explore everything from magical worlds of wonder to lands ravaged by war. Be it on stage or off, everyone will find something to love with our wonderfully varied selections of plays and activities.

The season opens with the **STUDENT NEW PLAY SHOWCASE** featuring "Mujer Fuerte" produced by Carol Damgen, written by Chloe Diaz, and directed

by one of our senior students. It's 1944 in Southern California and while Americans on the home front work to support the war effort, Grace, a young Mexican American woman, struggles to find her own voice in spite of racial and cultural obstacles of the times. *Mujer Fuerte* will perform in the intimate Black Box Theatre Thursday, Oct. 20, 21 and 22 at 8pm, and Sunday, Oct. 23 at 2pm.

ALICIA IN WONDER TIERRA, by Silvia Gonzalez S., is directed by professor Johanna Smith. When Alicia enters a Mexi-

can curio shop with her mother, she accidentally finds herself transported into fantastic realms, filled with amazing creatures and brilliant Mexican imagery. Steeped in Latin American cultural icons, Alicia begins to learn the difference between tradition and stereotype as she attempts to find her way back home to her family. This unique, family-friendly production features actors and puppets performing side-by-side in a space that reveals new wonders as each scene evolves.

Alicia in Wonder Tierra runs from Nov. 11, 12, 17, 18, 19 at 8pm, Nov. 13, 19 and 20 at 2pm, before moving to the Palm Desert Campus for an additional four shows on Dec. 1 and 2 at 9am and 10:30am.

MOTHER COURAGE

by German dramatist and poet Bertolt Brecht, opens March 10. Directed by Tom Provenzano, *Mother Courage* follows the life of camp follower, Anna Fierling and her three children, as they roam a war-torn country in a wagon that acts as both a shop and their home. Anna's efforts to support her family in the face of relentless war highlights the collateral damage of "non-combatants" in a story as old as Herakles and as new as yesterday's front page.

Mother Courage takes to the Barnes Theatre stage March 10, 11, 16, 17, and 18 at 8pm, March 12 and 19 at 2pm.

The always popular, free **FAMILY NIGHT AT THE THEATRE** returns Friday, April 21 at 6pm. Enjoy an evening of dance, music and theatre with workshops for the entire family followed by performances by CSUSB and local Elementary School students. Available Workshops include: Dance, Music, Poetry/Writing, Masks or Puppetry, and Theatre. Workshop spaces are limited, and reservations

are recommended. Reserve your spot online at theatre.csusb.edu.

This celebration of the arts will feature artists, musicians, flash mobs, food vendors and beer gardens sure to inspire and delight all. The 2017 AMF is free to the public, with free parking.

On June 2, The Ellen Weisser Endowed Theatre Showcase closes out the 2016-2017 season with **THE WORLD GOES 'ROUND**. Dickens Festival In Full Swing This Fall

To appropriate an old cliché, the Riverside Dickens Festival is in full swing! But wait (I hear you cry) how can that be? Aren't we months away from the festival, which takes place on Feb. 25-26, 2017? What could possibly be "swinging" now?

I am so glad you asked. You may already know how the dedicated performers, scholars, writers, carpenters, students and many other volunteers work all year to create the most entertaining, educational and delightful annual festival in the Inland Empire. But as grand as it is, the festival is only part of what they do. In fact, they are bringing the world of Dickens to Riverside in many ways throughout the year.

In June, the inaugural "Perpetual Motion Steampunk Ball" took fantastically clad patrons

on a musical journey through the 19th century.

In October they will present "Tales from the Victorian Crypt", an evening of spine-tingling Victorian ghost stories at the Evergreen Memorial Historic Cemetery. "Danse Macabre", their Victorian Halloween party featuring the Whirled Peas Band at First Christian Church in Riverside will also be back.

In November you may join the line at "Oliver Twist's Soup Kitchen" to enjoy a simple meal and festive entertainment while supporting the Dickens Festival and the Calvary Presbyterian Church hot meals program.

So you see, you don't need to wait until February to enjoy the festival. You can join it all year! 

TALES FROM THE VICTORIAN CRYPT *The Dickens Festival gets scary in October for an evening of Victorian ghost stories at Evergreen Memorial Historic Cemetery. Pictured above, from left to right, is the cast from last year's event: Tim Clark as Rossetti's beloved; Nancy Smith as Gabriele Rossetti; Travis Wilson as Poe; Richard Reed as the Grim Reaper; Nicole de Silva as the Spirit of the Graveyard; Derek de Silva as Guy de Maupassant; Windy Hixson as the Lost Lenore.*

Fun for the whole Family

San Bernardino County Museum Opens Quilt Exhibit

A new exhibit, "Stitches in Time," will open at the San Bernardino County Museum in Redlands on Saturday, Oct. 1. The exhibit features quilts and coverlets selected from the museum's history collections. The exhibit will continue through January.

"Quilting, in one form or another, has been in existence for thousands of years and it has been present in America since colonial times," said Jennifer Dickerson, San Bernardino County Museum curator of history. "It is a practice that connects our cultures, bringing people together to create and preserve something by allowing both tradition and family heirlooms to be passed down through generations."

The exhibit includes a selection of pieced quilts and woven coverlets dating from the 1840s to the 1930s.

"As you walk through this exhibit and examine these different pieces, you are getting a peek into the history of the time that these objects were made and a glimpse into the family history of the people who made them," said Dickerson. "Different stories have been woven into the fabric of these quilts and coverlets, and it is our pleasure to share them with you."

The San Bernardino County Museum is at 2024 Orange Tree Lane, at the California Street exit from Interstate 10 in Redlands. The museum is open Tuesdays through Sundays from 9am to 5pm. General admission is \$10 (adult), \$8 (military or senior), \$7 (student), and \$5 (child aged 5 to 12). Children under five and Museum Association members are admitted free. Parking is free. For more information, visit www.sbc-countymuseum.org. The museum is accessible to persons with disabilities. 

St. Andrew's Newman Center In Riverside Holds Annual Oktoberfest

EVENT
October 14

What better way to kick off October than to start with an Oktoberfest! Time to dust off your stein, grab the alpine horns and yodel your way over to St. Andrew's Newman Center in Riverside for its Annual Oktoberfest Fundraiser on Friday, Oct., 14, from 6pm to 10pm.

"There will be fun for the whole family, with something for everyone," said Caryn Marsella, president of Newman Sponsors, who host the annual event. And that includes great German food and other goodies to enjoy, beer, and wine, a terrific DJ, lots of dancing (yes, even polkas), lots of games, beer-tasting, etc. – the fun goes on.

All this for only \$25 for adults, \$15 for students, \$5 for kids 12 and under.

TREAT YOURSELF TO THIS UNIQUE MOUNTAIN ZOO

California has some of the most diverse wildlife in North America. But you don't have to camp out in the wilderness just to catch a glimpse of some of our state's amazing animals. The Big Bear Alpine Zoo, founded in 1959, is the only alpine zoo of its kind in the United States. Situated at almost 7,000 feet above sea level, the Big Bear Alpine Zoo serves as a rehabilitation facility for both mountain and nearby communities. With a nearly 80% success rate, animals are nursed back to health or weaned onto solid foods and then released back into the wild. If an animal is too injured or if it has lost its fear of humans, it cannot be released and has a home

for life at Big Bear Alpine Zoo.

"Our goal at the zoo is to connect our guests to wildlife, to demonstrate both the uniqueness of our animals and their habitat in the wild," says Curator Bob Cisneros. "As for our animals, we focus on their natural behaviors, providing them with opportunities to thrive. I think this combination of connecting guests to wildlife and meeting the welfare needs of our animals makes us very successful at what we do."

If you are planning a trip to Big Bear, get your wild on! A visit to the zoo is the best way to see representatives of our mountain ecosystem. Located on 2.5 acres, Big Bear Alpine Zoo brings the wild to you, housing over 100 animals, mostly native species.

The zoo is open daily from 10am through 5pm and is located at 43285 Goldmine Drive in Big Bear Lake, right across the street from Bear Mountain Ski and Board Resort.

Each day at noon there is an animal presentation done by one of their keepers and

three animal enrichment talks at 1pm, 2pm, and 3pm.

If you want to know more about the facility and the animals in their care, check out the website at www.bigbearzoo.org or like them on their facebook page.
