# THE RIVERSIDE FESTIVAL OF LIGHTS DAZZLES DOWNTOWN

TO EXPERIENCE THE MOST  
DAZZLING HOLIDAY SPECTACLE  
SOUTH OF THE NORTH POLE!**

The Riverside Festival of Lights is almost here, marking 23 years of illuminating downtown Riverside and lifting the spirits of residents and visitors during the holiday season.

The Festival offers five weeks of merriment in Downtown Riverside, November 27 – January 2. As the largest holiday celebration in the region, the Festival of Lights has become a holiday tradition for families, visitors and groups alike. Celebrate the season with family activities that include Inland Southern California's first outdoor ice skating rink, holiday-themed vendors, endless hours of family-friendly live entertainment, unique shopping and creative dining along Main Street Riverside, and, of course, Santa Claus.

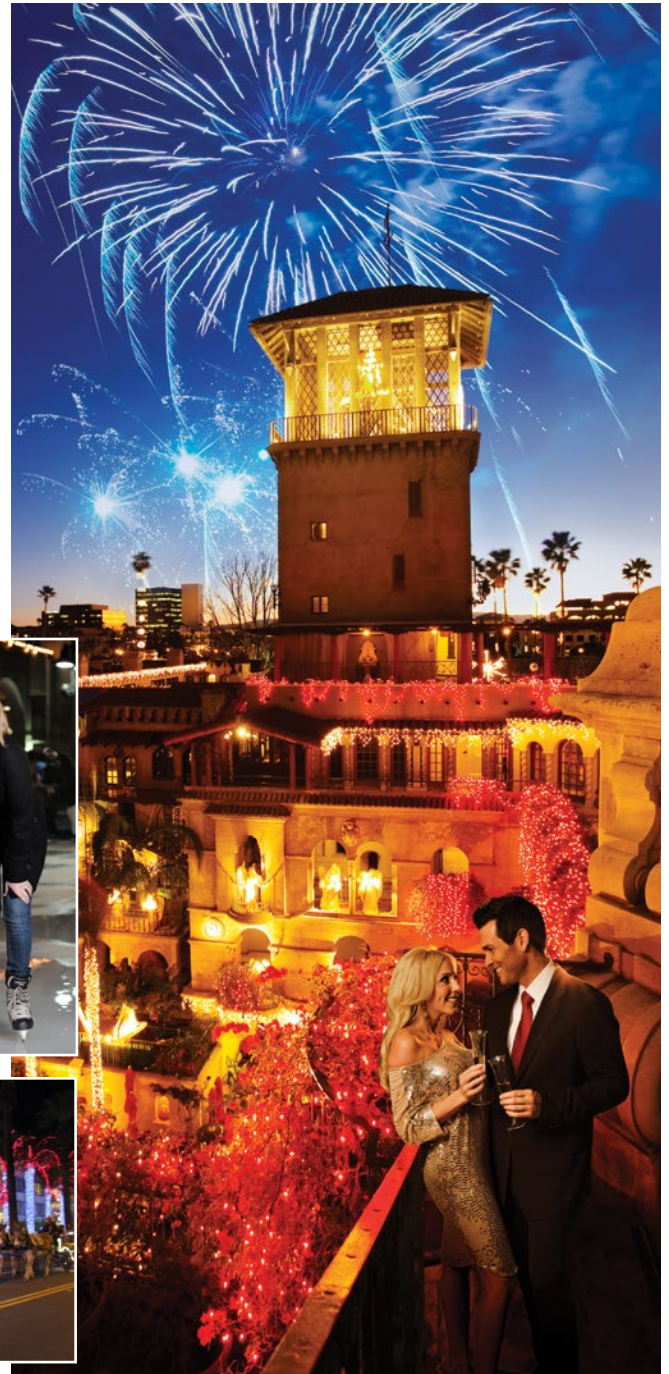

With the flip of a switch, Riverside's downtown will instantly illuminate with more than three and a half million twinkling lights and spectacular fireworks during the magical November 27<sup>th</sup> "Switch-On Ceremony" hosted by The Mission Inn Hotel & Spa and the Greater Riverside Chambers of Commerce. Gather at Mission Inn Avenue and Orange Street at 4:30pm for a night to remember.

While strolling around downtown, festival-goers can grab a cup of hot cocoa and warm sugared donuts, purchase one-of-a-kind presents or dine at a unique restaurant.

Added to the line-up again this year will be several local artists out on Main Street with demonstrations of their artwork and opportunities to purchase a truly unique gift. The incorporation of these local artists is something that has made Riversiders very proud. Also added is the New Year's Eve celebration at the downtown Library Plaza from 6-9pm.

The Riverside Festival of Lights allows everyone - no matter what age - to be charged with wonder and anticipation of the magic of the holidays. Don't miss your opportunity to be part of this wonderful Riverside tradition.

## 'Hope Comes Alive' With CBU Christmas Concert

There's music in the air. That's something that generally happens around Christmas time in most places; however, it's a little different at California Baptist University.

The University Choir and Orchestra (UCO), directed by Dr. Judd Bonner, is hard at work preparing for their 10th annual Christmas concert titled *Hope Comes Alive* and their approach to the standard canon of Christmas music is different than you'll hear on the radio. The message of Christmas rings louder and pierces hearts in a way like no other when presented by 150 college-aged students who passionately believe every word they sing.

UCO, as they are fondly referred to, performs regularly – roughly 60 concerts throughout the year – both locally and across the country, and in every venue in which they perform, their goal

is the same – to inspire and engage the audience with overwhelming energy, vibrant passion, and musical excellence.

This special evening of Christmas music is sure to do just that for you and your family, so mark your calendars for December 12, at 6pm, and prepare to be filled with the true spirit of Christmas!

The UCO Christmas Concert takes place at Harvest Christian Fellowship, 6115 Arlington Ave., in Riverside. Tickets are \$20; call the School of Music to reserve your seat, at (951) 343-4251. **IER**

# Soul Band Offers Free Music Workshop For Kids

Local grammy-winning musician partners with Fox Riverside Theater Foundation to offer a FREE workshop for local students

Sharon Jones & The Dap-Kings.

Photo by Jacob Blickenstaff

**G**rammy Award winner Gabriel Roth was raised in Riverside, and has returned to his hometown, after nearly two decades in New York, to raise his family. Roth is concerned about the financial limitations of arts education in the schools and wants to encourage others in the music and recording industries to join him in

offering educational enrichment to students of all ages.

He and his fellow band members, Sharon Jones & the Dap-Kings, will perform at the Riverside Municipal Auditorium (RMA) on November 6 and will present a 90-minute music workshop at 3:30pm that afternoon, prior to the show. The workshop is free, and the tour is also offering 300 tickets to the evening show at a greatly-reduced rate of \$15, an offer that is limited to workshop participants and their parents.

Roth is aware that some kids won't know the band, so he is happy to talk about other musicians with whom the band has worked and even -- with some reluctance and humility -- his Grammy awards.

"Some kids may not know us yet," said Roth, "but they know names like Jay-Z and Amy Winehouse, and they know what a Grammy statuette looks like."

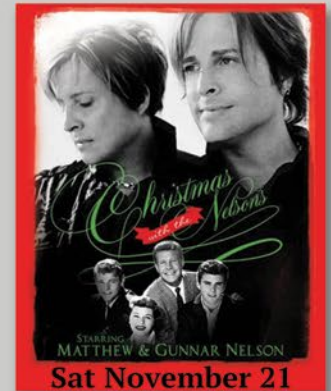

The Fox Riverside Theater Foundation has accepted the role of outreach coordinator for the event, and aims to bring in kids, 2nd – 12th grade, from all over the region. The Foundation works with a network of schools and non-profit organizations to distribute outreach tickets through its Students at Broadway program, which provides tickets for youth to attend shows during the Fox Performing Arts Center's Broadway season. The Foundation staff and board members are excited to partner with the band.

"This program is an example of our outreach mission," said Executive Director Cynthia Wright. "For some of these students, it is the first opportunity to get up close and personal with specific musical instruments; for others, it is an opportunity to add fuel to the fire of their passion for music and to hear advice from successful professionals."

For more information or to arrange for your group to attend, contact the Fox Riverside Theater Foundation at 951.826.5769 or [cwright@riversideca.gov](mailto:cwright@riversideca.gov).

fans join Jamie and Adam onstage to assist in their mind-blowing and mind-twisting approaches to science. *MythBusters Jamie & Adam UNLEASHED!* brings you face-to-face with the curious world of Jamie and Adam as the duo matches wits on stage with each other and members of the audience.

Jamie Hyneman has announced that he will end touring with the live show this year.

Since 2012, Jamie and Adam have toured North America, Australia and New Zealand with their live show. To date, they have performed in 108 cities, given 119 performances, over 200,000 people have seen them onstage and the tour has grossed over \$12 million. This fall, the tour will perform 31 dates across the US and Canada.

One of the most highly regarded and watched series on the Discovery Channel, *MythBusters* is now in its thirteenth season. Co-hosted by Hyneman and Savage, the show mixes scientific method with gleeful curiosity and plain old-fashioned ingenuity to create its own signature style of explosive experimentation – and the supporting or de-bunking of urban myths that we live with day to day.

Jamie Hyneman is the owner of M5 Industries, an effects company specializing in problematic custom builds. Besides serving as headquarters of *MythBusters*, M5 continues

to work on various research and development projects for private clients. After trying his hand at careers as various as librarian at the United Nations in Geneva to running a diving and sailing charter business in the Caribbean, Hyneman began his career in show business as special effects shop assistant in New York and later in San Francisco as a crew member on films including *Robocop*, *Arachnophobia* and *Naked Lunch*.

While managing Colossal Pictures' model shop in San Francisco, Hyneman was given the opportunity to take over – and M5 Industries was born. Hyneman graduated from Indiana University with a degree in Russian. He has received an honorary engineering degree from the University of Maine as well as an honorary doctorate of engineering from Villanova University, with whom he has an ongoing collaborative relationship to help develop new safety concepts for the military. He is the holder of several patents and the winner of numerous industry awards.

Adam Savage received a call from Jamie Hyneman in 2002 to participate in a demo for a TV show, which turned into the wildly popular Discovery Channel & SBS series *MythBusters*. Savage immersed himself in the NYC arts scene before moving to San Francisco in 1990 to parlay his skills into the thriving theater scene. There he worked for dozens of companies as set

designer, prop master, art director and producer before falling into the machine art community where he learned welding, pneumatics, hydraulics, electronics, and robot-building.

After exhibiting his work in over 50 art shows nationwide, Savage caught the eye of the special effects industry and began working as a prop builder and art director for major commercials for Sega, Coca-Cola, Nike, Burger King and Chevrolet. His work on a Coca-Cola commercial earned him a Clio Award nomination.

After a 18-month stint as head of research & development for startup toy company ZOOB, Savage joined George Lucas' Industrial Light and Magic. **IER**

# One Moment Changes Everything In Riverside Community Players' *Almost Maine*

Riverside Community Players presents the second show in their 91<sup>st</sup> season with the touching and charming play *Almost Maine* by John Cariani, directed by Kathryn Gage. It is January in northern Maine where the

average temperature is 9 degrees Fahrenheit and the average winter snowfall is 115 inches. While the town of Almost is a mythical composite of several northern Maine towns, the plights of its residents are very real. Several of them are

about to experience a big epiphany, something that really only comes when people actually listen to and hear each other.

During one night in Almost, Maine, nine magical moments are about to happen. They will happen simultaneously at nine o'clock under the big sky illuminated by the amazing spectacle of the aurora borealis. As the playwright himself describes it – "This play is all about one moment in time – what happens to people in a heartbeat. It is a play about real people who are really, truly, honestly dealing with the toughest thing there is to deal with in life: love."

Show dates and times are: Nov. 13, 14, 19, 20, 21, 27, 28, 2015 at 8pm and Nov. 15, 22, 28, 29, 2015 at 2pm. For tickets and reservations call the box office at (951) 686-4030.

## Players Present The Classic *A Christmas Carol*

Start the Yuletide with an uplifting message of hope and joy. Not a Humbug in sight. This holiday season Riverside Community Players make their annual pilgrimage to Victorian England as they present the classic tale of Ebenezer Scrooge in *A Christmas Carol* written by Charles Dickens and directed by Michael Charles.

This enduring story of transformation and redemption unfolds on Christmas Eve. Mr. Scrooge, a miserly and seemingly unfeeling sort of fellow, receives a visit from his dead partner, Jacob Marley. Mr. Marley tells Ebenezer that he will be visited by three spirits. These ghosts of Christmas past, present and what is yet to be hold the key to Ebenezer's future.

*A Christmas Carol* runs from Dec. 11 to Dec. 20. Evening performances are the 11<sup>th</sup>, 12<sup>th</sup>, 18<sup>th</sup> and 19<sup>th</sup>, at 7pm. Matinees are the 12<sup>th</sup>, 13<sup>th</sup>, 19<sup>th</sup> and 20<sup>th</sup>, at 2pm.

Reservations for tickets can be made by calling the box office at (951) 686-4030.

# 2015 Christmas Jubilee Tour Comes To Highland

Following three straight years of tremendous success, IMC Management has announced plans for the *2015 Christmas Jubilee Tour*. The Jubilee Tour features three of Southern Gospel Music's most recognized artists, The Booth Brothers, Greater Vision, and Legacy Five.

The *2015 Christmas Jubilee Tour* will begin November 30 and feature 15 concerts. It has been two years since the *Jubilee Christmas Tour* made stops along the West Coast, and this year the event will return to Idaho, Washington, Oregon and California, including a stop on Monday, December 14 at Immanuel Baptist Church in Highland.

What began as a light-hearted lunch conversation between three friends has become one of the most popular concert tours in Gospel Music. Managed and promoted exclusively by IMC Management, *The Jubilee Tour* brings three of the most popular names in Southern Gospel Music together for a unique and unforgettable concert experience. The event has proven to be very popular in cities across North America, with sell-out concert attendance in numerous cities in recent years.

The evening allows each group to be featured during the first half of the program, then the

second half brings the three groups together for a Jubilee spectacular filled with Christmas classics. The unscripted and spontaneous format is both entertaining and inspirational, providing audiences with a most enjoyable, must-see evening.

The *Jubilee Christmas Tour* concert features material from the multiple Christmas Jubilee recordings and have delighted crowds throughout the Holiday season. Since that first year in 2012 when the Tour first kicked off, The Booth Brothers, Greater Vision, and Legacy Five have been uniting to bring Christmas cheer to Gospel music lovers throughout North America. This year promises to bring more Holiday cheer.

"We are very excited to take the Christmas

Jubilee Tour into new territories and back to the West Coast," IMC President Landon Beene states. "In 2013, the Tour enjoyed multiple sold out events, which was a first for Southern Gospel Music in nearly a decade, so we know Gospel Music lovers on the West Coast will be excited that the Christmas Jubilee Tour is returning."

The *Christmas Jubilee Tour* stop in Highland on Monday, December 14 at Immanuel Baptist Church, located at 28355 East Baseline, will begin at 7pm. Doors will open at 6pm for this exciting Holiday event. Complete information, including ticket pricing, is available at online at [imccconcerts.com](http://imccconcerts.com). **LER**

## Zeppelin USA November 7

Zeppelin USA is all about the music and spirit of Led Zeppelin. They focus on getting the right tones, vocal inflections, the mix out front, borrowing a little from the studio versions here, the live versions there...much attention is spent on delivering a true sonic Zep experience.

The members of ZUSA are veteran musicians who've performed for tens of thousands of people. A Zeppelin USA show captures the sound and spirit of the greatest rock band of all time, and promises to either introduce or remind fans of just how great the mighty Zep will always be.

## Desperado: The Premiere Eagles Tribute November 27

Desperado's line up is powerful and entertaining, and promises to be the finest Eagles experience to be had, outside of an actual Eagles concert. With their exciting stage and visual presence, world class guitar work, rock solid rhythm section, and dynamic vocal work, Desperado satisfies their audiences with a Big Stage quality experience. As you experience this band performing, you realize that you are in the presence of a group of extremely accomplished and well seasoned.

## Christmas With The Nelsons November 21

Christmas With The Nelsons tells the story of three family Christmases in the lives of America's Favorite Family-The Nelsons. This heart-warming multi-media live concert experience stars the third generation of #1 Nelson Family hitmakers, Matthew and Gunnar Nelson. A genuine blend of Everly Brothers-style harmonies and Smothers Brothers-style comedy, multi-platinum recording artists Matthew and Gunnar have been thrilling sellout audiences world-wide for the past decade with their high-integrity Ricky Nelson Remembered show... and they've got a new gift for you to open.

Not merely a rock concert with a few holiday songs thrown in... Christmas With The Nelsons delivers Christmas Classics the Nelson Family way. Interweaving quick humor, soaring sibling vocals, and state of the art big screen video, Matthew and Gunnar's completely new show will take you on a sleigh ride through time. From the Holly Jolly 50's when their father Ricky was a little boy intent on duct-taping antlers on the family cat... ..to the 70's when Santa Claus Came To Town delivering Schwinn's for the Twins in the era before bike helmets (THAT explains a lot) to Rockin' Around The Christmas Tree today with the newest generation of Nelson Family kids who prove that yes we DID in fact turn out to be just like our parents after all.

## Orgy December 5

Orgy emerged in the Goth music scene in 1998 with their incredible remake of "Blue Monday." The track sold over 1 million copies and built a worldwide audience for the brand. In late 2005 the band went on a hiatus to work on side projects. In 2011, after seven years of demand from fans for new music and a tour, founding member Jay Gordon (vocals) decided it was time to kick things back up and begin recording and touring again in support of Orgy's fans.

# Comedic Classic 'Tartuffe' Opens At CSUSB Nov. 13

## A Provocative Take On A Comedic Classic

Cal State San Bernardino's Theatre Arts Department in November will kick off its 50<sup>th</sup> Anniversary main stage season with a wickedly powerful and provocative take on an old tale, *Tartuffe*, by Molière.

This comedic classic from 1664 was the center of great controversy and censorship upon its release, and has now been masterfully adapted by David Ball, making it just as relevant and poignant as the day it first debuted.

Internet ticket sales for the annual Christmas Concert sponsored by Calimesa Community Concerts are underway. **The Gary Bonner Singers and Orchestra** will be featured in three concerts on Dec. 18 and 19 at the Calimesa Seventh-day Adventist Church.

The concert, titled *Bethlehem Skies*, is a return engagement for the musicians. Dr. Bob Soderblom, founding director of the Calimesa concerts, notes the Bonner groups have previously made several sold-out appearances in Calimesa.

The concert series is currently in its 30<sup>th</sup> season. Its annual Christmas concert is known as the *Candlelight Festival of Music and Lights*.

As before, this year's concert will be directed by Dr. Gary Bonner, internationally recognized as a musician and a leader in advancing Christian choral music performance. He was the founding dean of the schools of music at Azusa Pacific University and later at California Baptist University, where he was honored as the university's outstanding professor. He retired from CBU in 2012.

choral tone," they have completed 21 recordings. The 60-voice ensemble's most recent recording, *Legacy Christmas in Concert*, is the live recording of their 2013 Christmas concert. A full orchestra will accompany the singers in all three Calimesa performances.

This year's Calimesa concerts are at 6pm Friday, Dec. 18, and on Dec. 19 at 4pm and 6pm. Tickets are \$15, \$10, \$8, and \$5. Tickets can be ordered online from iTickets.com or by phone at (800) 965-9324.

No tickets will be sold at the door, and pre-ordered tickets are nonrefundable.

All three concerts are at the Calimesa Seventh-day Adventist Church, 391 Myrtlewood Dr. (4<sup>th</sup> and Myrtlewood) in Calimesa. The church is chosen to host the community concert each Christmas partly because of its long tradition of beautiful lighting and decoration to honor the religious holiday, Soderblom said.

"Early ticket orders have the best choice of seating for all three concerts," he adds.

A dedicated telephone line provides recorded information and directions for the concert at (909) 795-4960. **IER**

*Tartuffe* last graced the CSUSB stage in 1990 when then-department chair Ron Barnes, for whom the theatre was named, directed the classic. Barnes was a founding faculty member when the college opened in 1965 and founded the theatre arts department 43 years ago in 1972.

It's the late 1660s, and Orgon, a wealthy family man, has taken in a stranger by the name of Tartuffe. Tartuffe appears to be an extremely pious and devout man of religion, and Orgon regards him almost as a saint. Offering the stranger his best food and drink, Orgon places the needs of his guest above those of his wife and children, who believe Tartuffe is nothing more than a con man who pretends to be of the highest moral authority, but does not practice what he preaches.

Brimming with music, costumes, props and scenery from the 1960s, this unique take on *Tartuffe* will be directed by theatre department chair Terry Donovan Smith. *Tartuffe* opens Nov. 13-22, with eight performances at 8pm each night and 2pm matinee performances on Nov. 15, 21 and 22.

The show will then move to the Palm Desert Campus for three additional performances the weekend of Dec. 5.

Individual and season tickets may be purchased from the CSUSB Theatre Arts Box Office by phone at (909) 537-5884, or online at theatre.csusb.edu. Tickets are \$6 for students and children under 17; \$12 for faculty, staff, senior citizens and military; \$15 for adults. Performances take place in the Ronald E. Barnes Theatre on the CSUSB campus. Parking at CSUSB is \$6 Monday-Friday and \$3 on the weekend. **IER**

**DECEMBER 11-20**

It is Christmas Eve, but the miserly Ebenezer Scrooge celebrates no holidays. As usual, he walks home from his office through the heavy fog to the large, empty building where he resides alone. Alone, however, is not what he will be this night. At his front door Scrooge encounters the ghostly face of his dead partner, Jacob Marley, and will soon learn that Jacob has plans for Scrooge to receive three more visitors this very evening - visitors who will transform his life.

# CATS Presents Original Adaptation Of 'A Christmas Carol'

The Community Arts Theater Society of Big Bear Valley (CATS) presents its original stage adaptation of *A Christmas Carol*, opening Friday, Nov. 13 at the Big Bear Lake Performing Arts Center. The show plays a total of 11 performances with 7:30pm shows on Nov. 13, 14, 18, 20, 21, 24, 27 and 28 and 1:30pm matinees on Nov. 15, 22 and 29.

All performances are reserved seating and prices range from \$17 to \$29 for Adults, \$16 to \$27 for Seniors and \$11 to \$20 for Students/ Children, depending on date and location of seats.

Tickets are now on sale through the CATS website at [www.bigbeartheater.org](http://www.bigbeartheater.org) or at the PAC Box office at 909-866-4970.

This new adaptation of the Charles Dickens classic was specially adapted for CATS by its director, Karen Sargent Rachels, and was originally presented in 2009. Rachels was inspired by a chance remark from an Antiques Roadshow appraiser of a letter written by Charles Dickens, telling a member of Royalty that he, himself, was unable to procure tickets to one of his sold-out concert readings for her. The Roadshow appraiser mentioned that tickets to a Dickens reading was like trying to get tickets to a Bruce Springsteen concert today.

Further research indicated that Dickens made two trips to America, also doing a series of concert readings of his works. From this premise, this CATS adaptation of *A Christmas Carol*,

The CATS adaptation features a real-life encounter of Dickens and a young Mark Twain as well as other twists on this old classic.

featuring the on-stage character of Charles Dickens, was born.

The CATS adaptation also features a real-life encounter of Dickens and a young Mark Twain in 1868 at Steinway Hall in New York.

Because of Dickens' on-stage narration, much of his original book-narrative is retained in this version, and is brought to life on the PAC revolving stage by a cast of over 60 actors of all ages. It promises to be a special delight to

tried-and-true Dickens fans.

Another CATS innovation for this stage production is the involvement of the Clock Sprites, a group of mischievous sprites who live in The Clock and help the spirits redeem Mr. Scrooge.

CATS is well known for the quality of its productions and will feature original sets designed by Joanne McMaster and re-built by Bob Perry and his crew. Karen Sargent Rachels is Director-Producer, with Karen Bergmann as Associate Producer. Costumes are designed by Priscilla Anderson with Lighting Design by Joanne McMaster and Melinda Garcia. Garcia is also Assistant To The Producer and Adam McDonald is Production Coordinator.

This CATS production of *A Christmas Carol* is "back by popular demand," after an overwhelming reaction to its production four years ago. This year Robin Field, who played Scrooge for CATS in the last production, will star as Dickens. Director Rachels says: "We realized that the timeless and inspiring story of *A Christmas Carol* could be presented traditionally every few years or so. This original play with music is faithful to Dickens, and we wanted to make sure the show would hold some surprises for our repeat patrons and newcomers as well. It is a very special play with music, filled with holiday magic for the whole family. I think this original adaptation and new production will bring its own special magic to our holiday season this year." **LER**

# Harvest Festival Original Art & Craft Show

**KICKS OFF THE HOLIDAYS AT  
THE FAIRPLEX IN POMONA**

Nothing gets you in the holiday spirit like a trip to the Pomona Harvest Festival Original Art & Craft Show at the Fairplex, Dec. 4-6, where more than 300 exhibitors ring in the season with dazzling, handcrafted items for everyone on your shopping list. Aglow in holiday décor, the Fairplex becomes a winter wonderland for the holiday “shop fest” of the season, complete with live entertainment, contests, strolling performers, a Kidzone, and more.

Bring on the holiday bliss with the stress-free shopping selection of 24,000 handmade originals ranging from stunning jewelry, photography, clothing and accessories, to glass, woodwork, ceramics, ornaments, specialty foods, furniture, and much more, all at unbeatable prices. Patrons who bring non-perishables for donation to the Foothill Family Shelter will receive \$2 off admission. Tickets are good for the entire weekend.

Local Corona artists are among the hundreds showcasing their creations. Cheryl Bechtold of “Pillow Picasso” specializes in custom-made bedding. Her hand painted holiday pillow covers and table runners are a blend of fabrics and textures, each one a unique masterpiece. “I especially enjoy visiting with the Festival patrons,” says Bechtold. “Sometimes they even send me pictures of how my pieces look in their homes.” Katie Knight of “Unique Bottle Candles” gets creative with repurposed bottles, hand cut bottles and wind chimes.

The celebration includes a creative oasis for the young at heart where Macaroni Kid presents free interactive “make ‘n’ take” crafts and Home Depot of Chino hosts personalized instruction and assembly of pint-sized toolboxes kids can keep as a free memento. Parents will also appreciate the free digital fingerprint Child ID services courtesy of New York Life. Priceless Pets will have a host of four legged friends available outside for adoption.

## Stage Entertainment

Captivating audiences with dynamic renditions of music for all ages, “HyJinx” takes to the main stage with a range of melodies from R&B to swing, Motown, classic rock and current hits. Captain Jack Spareribs (a spoof to the notorious *Pirates of the Caribbean* films) performs his zany pirate show that blends comedy with magic, juggling, and illusions. Strolling performers “Stilt Santa” and “Mama Claus & Eddie the Elf” add to the holiday cheer.

Players who show military or veteran's ID will be honored with a commemorative pin and one free play in the slot tournament.

Just next door, construction is wrapping up on **Mountain Sky Travel Center**, the property's new 24-hour convenience store and gas station. ## Moving Again

This old Volvo keeps packing up them miles. I never thought I'd miss Minnesota's rolling hills. All I see is cornfield and highway. The land flattens. More corn. Forever cornfields. Then desert. I park on the side of the road to sleep as the trucks rumble by. A highway patrol stops. "Just resting. I'll be on my way now." Morning rises behind me as the mountains rise in front of me. California. My new home.
