HISTORIC NATIVITY SCENES ON EUCLID AVE. READY FOR VIEWING

The Christmas on Euclid Experience, a non-profit organization, produced by the Greater Ontario Convention & Visitors Bureau, has a very unique draw to visitors from all over the southland during the holiday season. The iconic award winning Nativity Scenes have been a tradition for thousands of visitors each year since the first one was displayed in 1958. Community leaders and businesses funded the twelve scenes with the last one added in 1976.

Rudolph Vargas, a well-known Los Angeles artist and sculptor, was hired to create the Bibli-

cal figures and he supervised the creation of the backdrops. Families are delighted each year with the start of The Christmas on Euclid Experience in Ontario. Historic Euclid Avenue is transformed into a whimsical winter wonderland with block upon block of festive lights.

In addition the community's iconic Nativity scenes are on display for several weeks. Families, groups, and individuals are welcome to stroll along Euclid Avenue and enjoy the scenes, each illustrating a specific time in the life of Jesus. Each year the scenes are set up just prior to the Thanksgiving weekend and remain until after January 1.

Through Saturday, January 2, the Euclid Avenue Nativity Scenes will be on display on the median of historic Euclid Avenue from "G" Street to "D" Street. The twelve scenes have undergone restoration recently, but it is an ongoing effort to maintain, restore, and preserve the pieces of art. In addition each scene needs a new crèche.

Join in the Sing A Long on Saturday, December 17, from 6pm to 9pm at the Jack Mercer Bandstand on Euclid and "C" Street. Brought to you by the NOEL (Nativity On Euclid Landmark) Committee, this group of dedicated volunteers work year round to raise funds for the ongoing care and restoration of these works of art. EVERY WEDNESDAY IS **BADGE DAY**

2-FOR-1 TICKETS AT **BIG BEAR SNOW PLAY**

Badge-carrying personnel get two-for-one lift tickets Wednesdays (non-holiday) while enjoying inner tubing in the Southland at Big Bear Snow Play.

Active law enforcement, fire, and military personnel buy one lift pass and get another free every Wednesday at Big Bear Snow Play. Just show proper ID each Wednesday and get a free lift ticket with the purchase of a pass. It's a \$30 value.

"It's our way of giving back to those who serve," said Scott Voigt of Big Bear Snow Play. Badge Days are available year-round when Big Bear Speedway opens in April (weather permitting) for timed kart racing on a Grand Prix-style track.

Big Bear Snow Play, once a ski area known as Rebel Ridge, offers worldclass inner tubing on the longest runs in Southern California. As the guns continue to blast jet streams of snow, Big Bear Snow Play builds special features like whoop-di-dooos and berms in addition to its traditional downhill runs.

For after dark thrills Big Bear Snow Play last season debuted Glow Tubing night sessions, as the runs are illuminated by changing strobe lights that turn red, blue, yellow, and even black lights. Night Glow Tubing is available on Fridays, Saturdays, and holiday periods from 5-9pm.

Getting to the top of all the snow is easy thanks to Magic Carpet uphill lifts that families merely step on and off of. No uphill climb to tire parents and kids out means they save all their energy for downhill fun and get in all the runs they want.

Snow gets groomed nightly at Big Bear Snow Play to ensure the best possible conditions for guests, who enjoy evenly-spread corduroy for their downhill adventures. When it's time for a winter warm-up, head inside the heated base lodge for family-priced snack bar and video games and there's plenty of paved parking.

Big Bear Snow Play is open daily for inner tubing from 10am-4pm.

All-day passes include tube rental and Magic Carpet lift for \$30. After dark Glow Tubing sessions Fridays, Saturdays, and holidays from 5-9pm are priced at \$25 as guests slide on fluorescent tubes under alternative color lights.

Big Bear Snow Play is in Big Bear on Big Bear Blvd. next to Motel 6. Call (909) 585-0075 or visit www.bigbearsnowplay.com for more information.

California has some of the most diverse wildlife in North America. But you don't have to camp out in the wilderness just to catch a glimpse of some of our state's amazing animals. The Big Bear Alpine Zoo, founded in 1959, is the only alpine zoo of its kind in the United States. Situated at almost 7,000 feet above sea level, the Big Bear Alpine Zoo serves as a rehabilitation facility for both mountain and nearby communities.

With a nearly 80% success rate, animals are nursed back to health or weaned onto solid foods and then released back into the wild. If an animal is too injured or if it has lost its fear of humans, it cannot be released and has a home for life at Big Bear Alpine Zoo.

If you are planning a trip to Big Bear, get your wild on! A visit to the zoo is the best way to see representatives of our mountain ecosystem. Located on 2.5 acres, Big Bear Alpine Zoo brings the wild to you, housing over 100 animals, mostly native species.

The zoo is located at 43285 Goldmine Drive in Big Bear Lake, right across the street from Bear Mountain Ski and Board Resort. If you want to know more about the facility and the animals in their care, as well as schedules and special events, check out the website at www.bigbearzoo.org or like them on their facebook page. Abraham Lincoln In Redlands

Did you know that the only museum and research center dedicated to Abraham Lincoln and the Civil War west of the Mississippi River is located in Redlands? The Lincoln Memorial Shrine is part of the Special Collections division of A.K. Smiley Public Library and was made possible by the philanthropy of Robert and Alma Watchorn in 1932.

The Watchorns were the embodiment of the American dream. A poor immigrant from the coal-mining region of England, Robert Watchorn came to the United States in 1881 with the perseverance and ambition to improve his circumstances. After working in the coalmines of Pennsylvania, Watchorn eventually entered government service, rising to an appointment by President Theodore Roosevelt as Commissioner of Immigration at Ellis Island in 1905. Following his time as a public servant Watchorn joined the private sector, first through a leadership role at the Union Oil Company, and then in his own venture, the Watchorn Oil and Gas Company.

Following the loss of their son Ewart in 1921, the Watchorns became winter residents of Redlands, as many prosperous American families had done before them. By that time, Robert was already enamored with Abraham Lincoln and felt strongly that if citizens of other nations understood Lincoln, as he did, it would improve relationships between the United States and other countries. This interest in Lincoln led him to create the Lincoln Memorial Shrine and donate his impressive collection of Lincolniana.

Since that beginning in the stone octagon designed by noted southern California architect Elmer Grey, the

Shrine has become a leading institution for the study of Lincoln and the Civil War on the west coast. Thousands of letters and diaries written by those involved in this national crisis have been added to the collections, as well as artwork and artifacts. As Watchorn intended, the centerpiece of the museum is a Carrara marble bust of Lincoln sculpted by George Gray Barnard. In addition to more than thirty documents written or signed by Abraham Lincoln and a variety of artifacts that help tell the story of the Civil War, one of the most important items on exhibit is "Thoughts on Peace on Lincoln's Birthday," an oil painting by noted artist Norman Rockwell.

Numerous events are held at the Shrine each year. The 45th annual Open House will take place on Saturday, February 4, from 11am to 3pm in the Lincoln Shrine and Smiley Park. For the second year, the event will be combined with the Lincoln Pilgrimage, an event organized by the Grayback District of the California Inland Empire Council, Boy Scouts of America. The Open House will feature new exhibits, live music of the Civil War, refreshments, artillery and cavalry demonstrations, and an appearance by President Lincoln himself!

The 85th annual Watchorn Lincoln Dinner will be held on Sunday, February 12, at University of Redlands and will feature Dr. Catherine Clinton, Denman Distinguished Professor of American History at University of Texas at San Antonio. Dr. Clinton is the author of several works including *Divided House: Gender and the Civil War* and *Mrs. Lincoln: A Life*. Her highly anticipated keynote address will focus on "The Loss of Lincoln." The Lincoln Dinner requires advanced reservations and sells out each year, so don't wait to reserve your tickets when they become available in January. **IER**

The Lincoln Memorial Shrine is open Tuesday-Sunday, 1-5pm and closed major holidays, except February 12 in commemoration of Abraham Lincoln's birthday. For more information, Lincoln Dinner reservations, or to schedule group tours, contact the Shrine at (909) 798-7632 or email heritage@akspl.org.

TEMECULA VALLEY SYMPHONY

Popular Symphonic

Music with A New Twist

Temecula Valley Symphony's 2016-2017 Season is highlighted by creative music and entertaining programs. According to Alana Joos, the Symphony's Executive Director and President, "We design our programs to connect to the audience in a personal way and strive to make them engaging and light-hearted. We're not your ordinary stuffy symphony. It's my belief that we need to remove the barrier between the audience and the musicians and encourage people to laugh, applaud, and participate in the musical experience!"

December 17 at 2pm and 7pm the Symphony, under the baton of John Mario, and its new Symphony Chorus, conducted by Eric Rea, will present *Miraculous Wonder*. This annual holiday variety concert will feature Duke Ellington's "Peanut Butter Brigade," Music from *Frozen*, Holiday Overtures including Hanukkah music and Christmas favorites, selections from Bach's B Minor Mass, "Christmas Waltz," and more. Santa will be available in the lobby for photos.

As a highlight the concert will feature winners of the symphony's "Holiday Jingle Contest" plus audience members will have an opportunity to join in the "Christmas Sing-Along."

Elton John and Cher tribute artists Gene Sironen and Heidi Thompson will join TVS on February 4 at 2pm for *Pop Rocks*, an exciting Vegas-style show that will have you dancing in your seats to hits like "Don't Go Breakin' My Heart," "Crocodile Rock," "Your Song," "Believe," "I Got You Babe," and other pop favorites. The program also includes "Three Cornered Hat" by Manuel de Falla and "Danse Nègre" from *African Suite* by Samuel Coleridge-Taylor, a British composer of African descent.

Bravo on March 25 at 2pm ushers in the winners of the Symphony's "Young Artist Competition." It also includes *Candide* by Bernstein, Wagner's *Prelude to Act III from Lohengrin* and *Finlandia* by Sibelius. To spice up the program TVS added "Short Ride in a Fast Machine," and music from the movie *How To Train Your Dragon* and the popular video game *World of Warcraft*.

The Temecula Valley Symphony Chorus presents *The Music Of Living*, a stand-alone concert, on April 8 at 4pm featuring selections focused on how music is intertwined into every part of the human experience and how we use song to celebrate, play, work, love, and experience life.

The Colors Of Music III on April 22 at 2pm will showcase several of the Symphony's principal musicians in an intimate concert setting. Works include *Silent Woods for Cello and Piano* by Dvorák, Howard Hansen's *Serenade for Flute and Piano* and *The Shepherd on the Rock* for Soprano, Clarinet, and Piano by Schubert. Other pieces include *Divertimento for Flute, Clarinet, Viola, Cello, Piano, and Percussion* and

a performance by the i.e. Brass.

May 20 the Symphony and Symphony Chorus combine for its season finale, *Universal* with a 2pm and 7pm concert to perform the last movement of Beethoven's 9th. Other exciting selections include *Across the Stars*, the Love Theme from *Star Wars*, *Quadrophenia* (as performed by the Who and the Royal Philharmonic), *Curtain Up* (a compilation of Broadway hits), *Slavonic Dance No. 8* by Dvorák, *When You Wish Upon A Star*, and *The Spheres*, from *Sunrise Mass*.

RIVERSIDE COMMUNITY PLAYERS PRESENT

PROOF

Riverside Community Players presents the Pulitzer Prize winning play *Proof* written by David Auburn and directed by Christopher Diehl.

Proof beautifully blends the formulas of math with the complexities of love. It focuses on Catherine, a young woman, who has cared for her father, Robert, who was a brilliant mathematician in his youth. However, due to mental illness he became unable to function without her help. Upon his death Claire, Catherine's controlling older sister, wants to take her back to live with her in New York. She fears Catherine may have inherited their father's mental instability. Hal, a former student of her father's, helps Catherine search through her father's notebooks hoping to find something significant.

In the process, a romantic relationship is formed. Trust issues arise between them along with Claire's disbelief and disapproval as familial relationships are redefined. 

Proof runs January 27, 28, February 2, 3, 4, 10, 11, 2017 at 8:00 p.m. and January 29, February 5, 11, 12, 2017 at 2:00 p.m. For tickets and reservations call the box office at (951) 686-4030 or online at www.riversidecommunityplayers.com.

BIG BEAR THEATER

CATS PRESENTS 'JOSEPH AND THE AMAZING TECHNICOLOR DREAMCOAT'

Performances of *Joseph And The Amazing Technicolor Dreamcoat* at the Community Arts Theater Society in Big Bear continue on Dec. 2 and 3 at 7:30pm with a matinee on Dec. 4 at 1:30pm.

All performances are reserved seating and prices range from \$17 to \$29 for adults, \$16 to \$27 for seniors and \$11 to \$20 for students/children, depending on date and location of seats. Tickets are now on sale through the CATS website at www.bigbeartheater.org or at the PAC Box Office at (909) 866-4970.

Joseph And The Amazing Technicolor Dreamcoat was written by Andrew Lloyd Webber and Tim Rice in 1967, long before their future iconic musicals were even conceived. Originally written as a 20-minute school production, *Joseph* has gone through many incarnations starting as a record album, followed by major stage productions in London and America, as well as a favorite television/movie (starring Donny Osmond). Playing on Broadway for 747 performances, it received 7 Tony nominations. It is produced all over the world every year by hundreds of production companies, and, now, for the first time, by the Community Arts Theater Society.

Well known for the quality of their productions, CATS will be pulling out all the stops to create a lively, vivid, musical extravaganza which will feature the PAC's revolving stage, moving sets, incredible props, special lighting effects, and beautiful costumes.

The Biblical saga of Joseph, the boy blessed with prophetic dreams and his coat of many colors, comes to vibrant life in this delightful musical

parable. Set to an engaging cornucopia of musical styles, from countrywestern and calypso to pop and rock 'n' roll, this Old Testament tale emerges as a timeless musical the whole family will enjoy. There are many special effects and surprises along with great music. Even Elvis makes an appearance!

CATS veterans featured in the production include Michael McConnell as Joseph, Carolyn Freeman Champ as The Narrator, Serena Sanders as Mrs. Potiphar and The Narrator for select nights, Adam McDonald as Pharaoh & Elvis, Steve Mangles as Jacob, with Brad Sandstrom, John Hendricks, Amber Parle, Samuel Rodriguez, Suzy Carpenter, Troy Obernolte, Timmy Brasher, Matt Moran, Cheyanna Parde, Michael Robinson, Bob Perry, George Radovich and many favorite CATS performers rounding out the large cast.

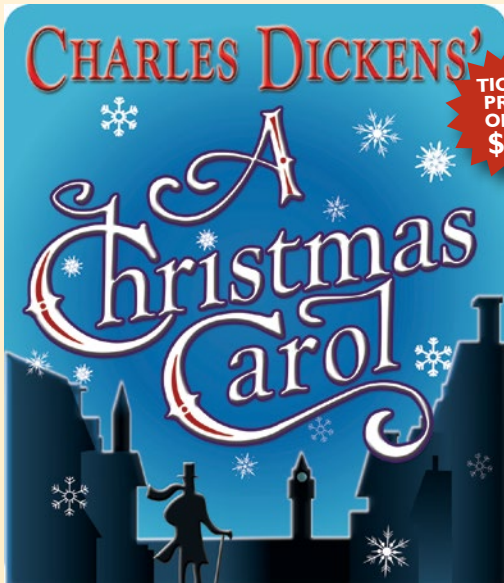

The CATS production is Directed and Staged by Michael Reno and Produced by Karen Sargent Rachels. Associate Producer is Karen Bergmann, Set Designer is Joanne McMaster, Costume Designer is Priscilla Anderson, Lighting Design by Randy Worden, Set Construction by Bob Perry and Kirk Christensen, and Assistant to the Director is Liz Moran.

Tickets are on sale now at www.bigbeartheater.org or at the PAC Box Office at (909) 866-4970. **IER**

RIVERSIDE COMMUNITY PLAYERS presents

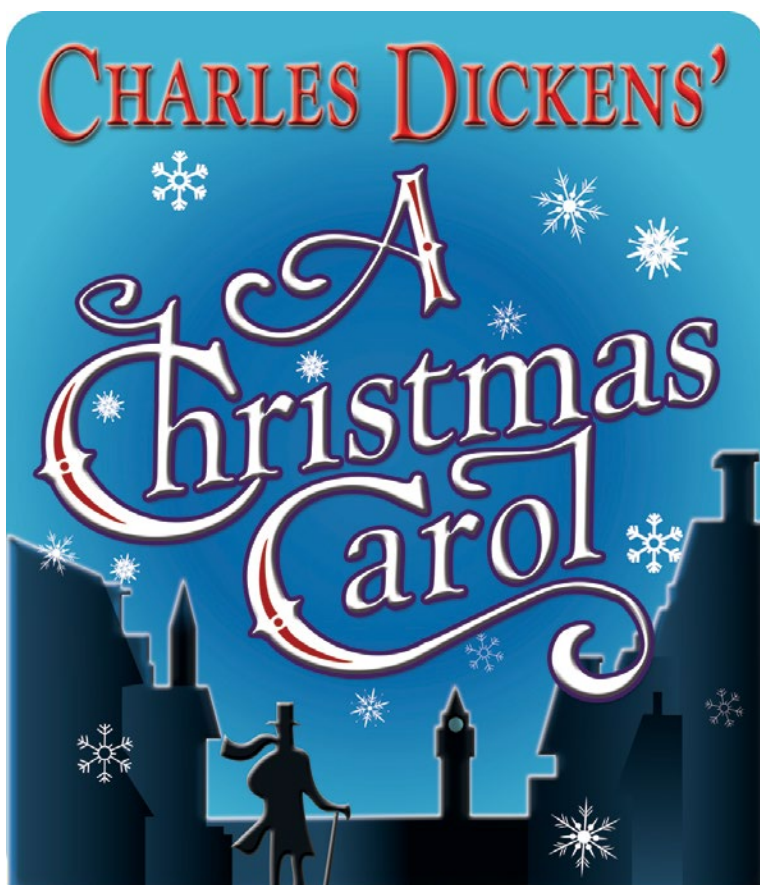

A Christmas Carol

The Riverside Community Players presents the Christmas classic *A Christmas Carol*, in December. The Riverside Community Players is located at 4026 14th St., in Riverside. For tickets and information, call (951) 686-4030 or go online to riversidecommunityplayers.com.

It's the most wonderful time of the year as Riverside Community Players presents the Charles Dickens' classic *A Christmas Carol* directed by Emerald Gonzalez.

After walking home on a cold and foggy night Ebenezer Scrooge enters his large but empty home. He is soon visited by the ghost of his business partner Jacob Marley, who has been dead for seven years. Marley warns Scrooge that he will be visited by three ghosts – the ghost of Christmas past, the ghost of Christmas present and the ghost of Christmas yet to come. What is revealed to the miserly Scrooge is his own miserable existence, his wasted opportunities, his current cruelties and perhaps his own dismal fate. Only Scrooge can choose what legacy he will leave behind.

A Christmas Carol runs from December 9, 10, 16, 17, 2016 at 7pm and December 10, 11, 17, 18, 2016 at 2pm. **13+**

THE BROTHERHOOD TOUR COMES TO HIGHLAND

What do classic hit songs like “Stand By Me,” “He Saw It All,” “Get Away Jordan,” “Still Feelin’ Fine,” “Oh What A Savior,” “What Salvation’s Done For Me,” “Trying To Get A Glimpse,” and “I Played In The Band And Sang In The Choir” all have in common? The answer - these hit songs are some that gospel music lovers can expect to hear as multi-award winning groups Ernie Haase & Signature Sound and The Booth Brothers bring the Brotherhood Tour to multiple cities nationwide, including Highland on Jan. 19.

Collectively, they have enjoyed more than 100 accolades, industry honors and fan awards. Over the past decade they have received multiple Grammy and GMA Dove Awards, as well as countless Singing News Fan Awards.

Now the two groups have united to bring The Brotherhood Tour to numerous cities throughout the US. “We have been so excited by the tremendous response we have received in bringing these two artists together,” IMC Concerts President Landon Beene states. “They are both so unique and diverse, but flow together extremely well on stage. Audiences have embraced this union. It is such an electrifying experience, and we have

been thrilled with the overwhelming response.”

As a result of the overwhelming response to the concerts featuring Ernie Haase & Signature Sound and The Booth Brothers, continued success is expected for this exciting musical collaboration in 2017, as the Brotherhood Tour will make stops in Arizona, California, Oregon and Washington. “We selected cities where these two artists are fan favorites, and we are expecting a wonderful response.”

The Brotherhood Tour comes to Immanuel Baptist Church in Highland at 28355 E. Baseline on Jan. 19. Doors open at 6pm. Tickets are \$25 for advance seating, \$30 at the door, and \$30 for Artist Circle.

For tickets, call (800) 965-9324 or visit www.imconcerts.com.

CELEBRATING 14 YEARS OF BOOKSELLING

Downtown Bookstore in Riverside, under the same ownership since it began, has got the book, and the atmosphere, for you.

*Vera and Nadia Lee
Downtown Bookstore*

The Downtown Bookstore has now celebrated fourteen years under the proprietorship of Vera and Nadia Lee. It has been a great ride. We have had some downs, but none to compare with the ups, mostly the fantastic customers who always keep us on our toes with new requests, introducing us to new authors and titles, and new challenges when we search for them.

The owners of our building gave us a new roof - we will miss using the towels and buckets when it rains (no, we won't miss it!). Our children's section is plump full of great reads, mostly in excellent condition. Our ghost flits comfortably around the room, sometimes surprised at what people chose. He doesn't intervene, though, and is very quiet in his opinions. I honestly can say that I learn something new every day.

Come visit us when you can. Our owl collection has reached more than 200 items now, and you must see the Christmas tree. Last year we counted 124 owls on our five foot tree! And if you have one to gift us, we will be ever so grateful.

It has been a joy serving Riverside and all the guests from the hotels, the jury, and surrounding areas who find us. Our holiday hours, beginning after Thanksgiving, are Monday, Tuesday, Wednesday 10am to 6pm; Thursday, Friday and Saturday 10am to 9pm (or 10pm if needs be); Sunday noon to 6pm. Drop in and say hello! **IER**

Santa's Pajama Party at Victor Valley Museum

Santa will visit families at the Victor Valley Museum in Apple Valley on Saturday, Dec. 10, from 6 to 8pm at Santa's Pajama Party. Bring your family to play holiday games, hear holiday stories, make winter crafts, enjoy refreshments, and have a photo op with Santa while you tell him what you want for the holidays. You can wear your pajamas and bring your favorite teddy bear to keep you company.

"This program is truly 'back by popular demand'," said Laura Crites, Victor Valley Museum funding coordinator. "The relaxed, seasonal

atmosphere gives everyone a chance to enjoy each other's company while they take part in holiday traditions including story time, snacking, craft-making and, of course, talking to Santa Claus himself."

The cost is \$10 per adult; children and teens age 4 to 17 are \$5 each. Under age three is free with a paid adult. Each admission includes all holiday crafts and activities, a chat with Santa, and refreshments. Reservations are not necessary, but space is limited. Please arrive by 5:30pm to enjoy the whole party.

Santa's Pajama Party, and the County Museums' other exciting events and exhibits, reflect the effort by the Board of Supervisors to achieve the Countywide Vision by celebrating arts, culture, and education in the county, creating quality of life for residents and visitors.

New for Winter 2016-17 at Snow Valley Mountain Resort

Snow Valley, located in the San Bernardino Mountains in Running Springs 20 miles from San Bernardino, is one of the largest resorts in the San Bernardino National Forest.

Night skiing is offered on Fridays and Saturdays, including during holiday periods.

Snow Valley is offering a number of new features for the coming snow season.

A new 300-foot moving carpet lift in the Children’s

Learning Center at Snow Valley is the region’s only new lift for winter 2016-17. It expands Snow Valley’s learning-only terrain by 40,000 square feet, a 200% increase. This will substantially boost the number of runs new skiers and snowboarders can take during their lessons, more quickly preparing them to load regular chairlifts and mix with experienced skiers and snowboarders. It will also allow Snow Valley to provide more lessons in the Children’s Learning Center. This will result in reduced demand for regular lifts.

For winter 2016-17, Snow Valley Mountain Resort has increased its “targeted snowmaking” operations by 50 percent, adding several portable

snow guns, all of which will be strategically relocated throughout the snowmaking night to deliver the best snow coverage on the most popular runs and terrain park features. Now, Southern California’s most experienced, expert snowmakers will be working with an expanded arsenal of portable, fully automated and computer-controlled SMI Super Polecats with SmartSnow. These guns will also produce more snow from less water and power, as each

SMI Super Polecat has its own weather station for accurate measurement of conditions and remote-controlled microprocessor with customizable software to relay weather data to Snow Valley’s main pumphouse control room, which will then send the correct volume of water to each snow gun.

At a total cost of \$1 million, these new snowmaking enhancements for winter 2016-17 leverage Snow Valley’s winter 2015-16 investment in a reengineered water-storage infrastructure and a new mile-long pipeline that maximizes water availability when temperature and humidity levels are optimal for snowmaking.
