Great Food and Fun at Fallbrook Avocado Festival

Time is finally here for the 26th Annual Fallbrook Avocado Festival held on Sunday, April 15, from 9-5pm. It celebrates the agricultural heritage of Fallbrook while providing an opportunity for entertainment and festival fun.

The Festival's celebration of Fallbrook's heritage as an agricultural community is visible in the museums, the avocado-themed events sponsored throughout the day, and the wide variety of foods and agricultural displays found all along the Festival streets. Held on Main Ave., visitors get the "village"

feeling of Fallbrook while enjoying over 450 booths and many other attractions, including 4 food courts with shady seating and amazing avocado foods.

Avenue of the Arts is the latest special focus at the festival, an entire street on Alvarado filled with working local artists, selling their wares and demonstrating their talents. Kids can even help "construct" an avocado tree!

Two refreshment gardens host all-day music from live bands and a place to sit and relax a little while. A full carnival will be held in Joe's Hardware parking lot with kiddie rides at the North end of the festival.

Free parking, shuttles and admission help make this a fun, family outing and the contests designed for kids are especially entertaining – who could ever forget the race car they built with an avocado and won that blue ribbon?

Check the Fallbrook Chamber of Commerce website for all the details, at www.fallbrook-chamberofcommerce.org. 

FAMILY FUN *The Fallbrook Avocado Festival features food as well as activities and carnival games.*

Planes of Fame Airshow Takes Wing

The Planes of Fame 2012 Airshow will mark the momentous events that occurred 70 years ago literally “turning the tide” of history in 1942. Warbirds will once again fill the skies over Chino Airport during the County of San Bernardino Planes of Fame Airshow over the weekend of May 5-6.

1942 saw the formation of the VIII Bomber Command in January of 1942 - later to become the famed 8th AAF - the daring Doolittle raid in April of 1942 and key battles at Coral Sea, Midway and Guadalcanal and finally Operation Torch in North Africa in November, 1942.

A veteran panel will be on hand to discuss and add their insight to those events 70 years ago. Warbirds, historic aircraft,

modern military aircraft and aerobatic planes will make the 2012 County of San Bernardino Planes of Fame Airshow the southern California and world aviation event of the year.

Adding excitement to the program of warbird flybys and air combat re-enactments will be high performance aerobatic displays by Sean D. Tucker, the world’s premier Airshow performer flying Team Oracle’s Challenger bi-plane and, local favorite Rob Harrison, “The Tumbling Bear,” in his Czech built Zlin 50. There will be World War II fighter aerobatics with the famed “Horsemen”: Steve Hinton, Ed Shipley and Dan Friedkin. The Horsemen will fly a three-ship demonstration flight in two P-51 Mustangs and a P-38 Lightning. A graceful wing walking routine will also be performed by the Silver Wings duo of Margaret Stivers and Hartley Foldstad in a Stearman biplane. A tribute to all veterans will be performed by the U.S. Air Force Heritage Flight display Team.

Other aircraft, military vehicles, and aviation-related items will be on static display

for up-close viewing. There will even be opportunities for the public to experience Planes of Fame Air Museum member orientation flights in genuine warbirds. Numerous food and beverage vendors will delight the palate and a host of memorabilia vendors will be on hand to make the overall experience even more enjoyable for Air Show visitors.

General admission tickets purchased at the gate are \$20 for adults and \$5 for youngsters 5-11, with free admission for accompanied children under 5. Advance discount general admission tickets are available online at www.planesoffame.org for \$15 until April 20. Reserved grandstand seating and a Sunrise Photo Pass, allowing early access to the flight line for photographers, will be available for \$75 - advance purchase only with limited availability.

Gates for the County of San Bernardino Planes of Fame Airshow 2012 will open at 8am each day, and flying activities will begin at approximately 11am. For more information, call (909) 597-7576; or visit the Planes of Fame Air Museum website at www.planesoffame.org.

Classic Cars for Charity at Show & Go

Show & Go, established in 1999, is Riverside County's premier car show. On the first weekend of May each year, about a thousand cars gather in Downtown Riverside to show off, compete for trophies, and cruise the streets like they did in years gone by.

The three-day event is sponsored by the Riverside East Rotary Club and produced by the Old Farts Racing Team, with this year's Event Title Sponsor being K&N Filters.

All proceeds from the show are put back into the community through the service projects of the Riverside East Rotary Club.

"We hear from many participants that Show & Go is the best car show around," Gary Echito, founder of Show & Go and member of both the Riverside East Rotary and the Old Farts, said. "They get a chance to show their cars in an attractive venue, leisurely cruise with open headers, and enjoy getting together in a relaxed atmosphere with fun for the whole family."

This year Show & Go will take place from Friday, May 4 through Sunday May 6. Friday's activities start at 6pm with a cruise and a barbecue. On Saturday, cruising takes place from 11am to 4pm. There is a Grand Marshal parade at 10:30am.

PHOTO BY ANDREA KAUS

ONE THOUSAND CARS Show and Go takes place in downtown Riverside, May 4-6.

Along the cruise route, visitors will find product and service vendors, a large variety of food vendors, a youth corner and activities for the whole family.

The Magnolia Center Rotary Club will be having a pancake breakfast from 7 to 10am

featuring the best pancakes around. In addition, most Downtown Riverside merchants and restaurants will be open. Sunday features cruising from 8am to 1pm, with trophy presentations

A Great American Party

Tickets on sale now for
Huck Finn's Jubilee,
June 15-17

HEADLINE ENTERTAINMENT Larry Gatlin & the Gatlin Brothers headline Huck Finn's 36th Jubilee.

It's a Great American Party, and it's close to home! Huck Finn's 36th Jubilee returns to Mojave Narrows Regional Park in Victorville, Father's Day weekend, June 15-17, with tickets on sale now.

The Park, an 800 acre natural preserve located on a river bottom in the high desert, is a place where Huck Finn would love to hang out. Each day begins with hot air balloons drifting over RVs and tents settled in for a short vacation break. An early morning balloon flight can be reserved by calling (1-800) 246-8247, and tethered rides are available until 10am each day.

An old fashioned tent circus anchors itself just out of reach of flying cow chips, and villages of mountain men, crafters and "river folk" spring up alongside Horseshoe Lake.

There are river raft building contests, a Route 66 car show, arm wrestling championship and bluegrass music workshops. A Mark Twain Live performance opens main stage activities on Friday, followed by 30 hours of bluegrass, Cajun and classic country music and headlined by Grammy award winning artist Larry Gatlin & the Gatlin Brothers on Father's Day.

"It's like a vacation without the TV – an escape event," Don Tucker,

who started the Jubilee to celebrate the arrival of summer, said. "If you're living in Southern California, it's also a great answer to the high price of gasoline and theme parks."

Only a short drive for RVs, the celebration takes place in a Mississippi River style setting, and offers a great value. For families without an RV, host hotels in Victorville and Hesperia, like the Hilton Garden Inn, Hawthorn Suites, Courtyard by Marriott and Holiday Inn Express, offer a "Huck Finn Jubilee" discount along with free admission to the event for youth (6 through 12 years old) by displaying their hotel key.

It's not too early to get a reservation for this popular weekend festival. Tickets are now on sale and are discounted until June 4. Camping with electrical hookups is readily available, and a three-day admission with two nights camping package is \$75, with youth, ages 6 through 12 years old is only \$20. Camping, maps, a schedule of events and tickets are available by calling (951) 780-8810 or by going to www.huckfinn.com. **LER**

MainStreet Theatre Company Ends Sixth Season With 'A Wrinkle In Time'

The MainStreet Theatre Company will end its 6th season of producing high quality professional productions for children and families with an adaptation of Madeleine L'Engle's Newberry Award winning classic *A Wrinkle in Time*. The book is celebrating its 50th anniversary this year and the MainStreet Theatre Company was awarded a grant from the National Endowment for the Arts to help to support this very special production.

An independent agency of the federal government, the National Endowment for the Arts advances artistic excellence, creativity and innovation for the benefit of individuals and communities.

The Newberry award winning novel has been a favorite with children and adults since it was first published in 1962. The MainStreet Theatre Company will make full use of its large space and the artistry of its creative team to bring this beloved work to audiences. The wonderful adaptation by John Glore (Associate Artistic Director at South Coast Repertory Theatre) uses only six actors to tell the enduring story of the Murry children's journey to rescue their father from the dark forces on another planet. As with all timeless stories, this production is not just for children – as fans of the book know, the story resonates with people of all ages.

Director Robert Castro, familiar to MainStreet audiences from his productions of *Dreams of Anne Frank*, *Ferdinand the Bull* and *Treasure Island*, is known for his use of stunning visual images and imaginative theatrical storytelling.

The creative team, which includes Scenic Designer Victoria Petrovich, Lighting Designer Brian Gale, Costume Designer Raquel Barreto and Sound Designer John Zalewski, will transform the Lewis Family Playhouse stage as the story leaps from Earth to the various worlds on other

planets depicted in the book. The design, using both high tech and low tech elements, will serve as a wonderful landscape to make the complex themes of the story accessible to a broad audience, and the production will highlight the characters' emotional journeys as they discover their inner strength and the power of love.

A terrific cast has been assembled to bring this imaginative adaptation to life! Frequent MainStreet audience members will recognize Tracy Thomas (*Cinderella*) as Meg Murry, the young girl whose love for her brother proves stronger than the forces of evil. In addition to acting, Ms. Thomas is also a songwriter and has been seen around Los Angeles with her band performing in venues such as The House of Blues and the Troubadour. Jeremy Lelliott (*Treasure Island*), is back as Charles Wallace – the intuitive younger brother. Jeremy is the Artistic Director of the Ovation Award winning Coeurage Theatre Company in Hollywood. Royce Johnson, who was a cast member in the critically acclaimed *What's Wrong with Angry* at the Celebration Theatre, will play Calvin O'Keefe. Matt Foyer (*Honus and Me*), Amanda Pajer (*Lilly's Purple Plastic Purse* and *Anne of Green Gables*) and Ted Barton will portray an array of characters the three children meet on their adventure, including the eccentric Mrs. Whatsit, Mrs. Who and Mrs. Which, the Murry children's parents, the many tentacled Aunt Beast, and the disembodied brain "IT."

In conjunction with the production, the MainStreet Theatre Company will host two special events including an Opening Night Celebration on May 5 following the 4pm performance to celebrate the NEA grant. On Saturday, May 12, the 4pm performance will be followed by a post show discussion. Special guest Al Canguahuala (manager for Mission Design and Navigation at NASA'S Jet Propulsion Laboratory) will lead audience members and the cast in a conversation about the difference between Madeleine L'Engles' imagination and the realities of space travel today.

A Wrinkle in Time, appropriate for ages eight years and up, runs Saturdays at 1pm and 4pm and Sundays at 1pm (no performance on May 6). The matinee on May 13 will be interpreted in American Sign Language.

The Lewis Family Playhouse also hosts weekday matinees for school children, and study guides for teachers and parents are accessible on the Lewis Family Playhouse website. Special prices are available for groups over 15 people by calling the Box Office. Thanks to a generous donation from the Rancho Cucamonga Community and Arts Foundation, all tickets to performances on Saturday, May 5 are only \$9.50. Special "Opening Night Party" packages for the 4pm performance on May 5 are \$20 and include a ticket to the show and admission to the post-show celebration.

An intimate, 536-seat venue, the Lewis Family Playhouse is located in the Victoria Gardens Cultural Center located off the I-15 Freeway at Foothill Boulevard. For additional information visit www.lewisfamilyplayhouse.com. **IER**

Pulse 2012—Celebrating Dance at Chaffey

The Chaffey College Dance Department presents its annual spring dance concert showcasing the choreographic and dance-performing talents of faculty, Chaffey dance students, and guest performers celebrating the diversity of dance with a kinetically intense mix of modern dance, contemporary ballet, jazz, tap, hip hop, musical theatre, and ballroom. With a cast of forty dancers, this year's concert, *Pulse 2012*, will prove to be a dynamic and exciting performance that offers a bit of everything for everyone with a well-paced and highly energized range of dance styles.

Artistic director and full-time dance faculty, Michele Jenkins, choreographed several of the dance works including excerpts from *Sweet Charity*, *West Side Story*, and *Mary Poppins*; a *Swan Lake* parody—Trockadero style; a kinetically dazzling jazz trio of explosive energy with music by Aretha Franklin; and a contemporary modern dance accompanied by the dancers' own story vocalizations.

Chaffey's hip hop and social dance adjunct instructor, BJ Brasier, offers a retrospective of hip hop styles through the decades using cover versions of Michael Jackson's *Human Nature*, and a

James Bond-themed ballroom piece incorporating Tango, ChaCha, and the Hustle. Maura Townsend, Chaffey's modern and jazz adjunct instructor, provides a fusion of modern, ballet and jazz to music by Boozoo Bajou, and inspired by the voodoo ritual practice of a high priestess in a turn-of-the-century New Orleans setting.

Using music from John Legend, student choreographer Christopher Bennett offers a contem-

plative contemporary modern piece exploring psychological themes of invisibility and disconnection, and from student choreographer Tim Eswagen, a high-energy western-themed hip hop piece about fate and consequences to music by Michael Jackson. Chaffey advanced tap students provide harmonious rhythms reminiscent of 40's jazz tap retro style, and guest student choreographer Stacey Strickland presents a contemporary modern dance which expresses the voices of human suffering with music by Sigur Rós.

Guest artists include Colorado-based dance artist Liane Adamo and Ken Morris and company, LA-based choreographer and alumnus of the Lula Washington Dance Theatre.

Creating scenic magic is intelligent lighting designer Guy Rock, who returns to provide technical and dynamic lighting artistry along with the talents of conventional lighting designer Gary Reinschmidt.

Pulse 2012 runs April 26, 27, and 28 at 7:30pm and April 29 at 2pm. Chaffey College is located at 5885 Haven Ave. in Rancho Cucamonga. Tickets are \$12. Call Chaffey College Box Office at (909) 652-6067 for ticket information and purchases. **IER**

Riverside Master Chorale Performs Mozart's Coronation Mass

The Riverside Master Chorale celebrates its 50th year of bringing great chorale masterworks to the community with its 2011-2012 season. The chorale has weathered many changes in its long history and this year has been no exception. Right after the chorale's ambitious and successful collaboration in December with the Corona Symphony Orchestra on *Carmina Burana*, its director, Karen Garrett, fell victim to continuing budget cuts at Riverside City College. Ms. Garrett's adjunct professor position was eliminated and John Byun, a full-time RCC faculty member, took over. Mr. Byun is the Director of Choral and Vocal Activities at RCC and also directs the award-winning RCC Chamber Singers and the Jazz Ensemble.

RMC's spring concert will benefit from Mr. Byun's directorship and a deepening of the chorale's association with RCC, as it is joined by the RCC Chamber Singers and Jazz Ensemble, as well as the RCC Symphony Orchestra, for Mozart's Coronation Mass on May 19 at 7pm. Each group will be showcased individually in the first half of the concert, then will come together for the Mozart masterwork in the second half. This concert will also mark RMC's long-awaited return to the Landis Auditorium stage at 4800 Magnolia Avenue in Riverside.

Tickets for the concert are \$10 for general admission. For more information, visit www.riversidemasterchorale.com. The chorale will also participate in the Temecula Chorale Festival in May. **IER**

Reality Rally Gears Up For Second Successful Year

More Than 80 Reality Stars Gather From 27 Different Shows To Temecula

Reality Rally returns to Temecula Valley April 13-15, and registration is in full swing for the special opportunity to be a part of this Fun for Funds weekend. Due to the immense success of Reality Rally 2011, this year's Reality Rally has not only garnered regional interest but a national and even an international focus. Registration is open to anyone who wants the opportunity to compete with their favorite reality star.

Reality Rally is a four-hour "Amazing Race" kind of game, where participants will be walking (or running) throughout Temecula's Old Town in a competition involving crazy activities and fun challenges for all ability levels, all for the coveted prize (trophy) and bragging rights but, most importantly, raising funds for Michelle's Place Breast Cancer Resource Center.

"I thought my excitement could never be matched when I made it on *Survivor* after eight years of trying. I am equally, if not more, excited to bring back the second year of Reality Rally which, after last year's success, is being touted as the Premier Reality Fundraising event in the nation," said event founder Gillian Larson who was a contestant on *Survivor: Gabon*.

More than 80 reality stars have already committed to participate in this year's Reality Rally Temecula Valley including: Richard Hatch (Winner of the first *Survivor* and participant in *Survivor: All-Stars*), Dawn Meehan (*Survivor: South Pacific*), Papa Bear Caruso (*Survivor: South Pacific*), Adam Poch (*Big Brother*), Elise Wims (*Hell's Kitchen*) and many others.

Teams consist of three members of the general public and a Reality Star added to make a team of four. Registration is \$90 per racer until April 8 or when all teams are filled, whichever comes first. Only eighty teams will play and spots are filling up quickly.

Not only are all of the Reality Stars in attendance donating their time, this year they are required to raise \$400 (the cost of a mammogram) minimum to be part of the event. The Reality Stars are raising "Money For Mammograms" and all the other services that Michelle's Place offers to women suffering from breast cancer.

The three day Fun for Funds event will take place April 13-15. The Reality Rally competition is on April 14, and the public will be able to not only watch the competitors as they complete the over 12 challenges but also have the opportunity to participate in many of the activities surrounding the event. Event times, tickets and information can be found at www.realityrally.com.

All proceeds of Reality Rally will benefit Michelle's Place which was founded in 2001 by Marilyn and Bill Watson, parents of Michelle Watson. Michelle was diagnosed with breast cancer at the tender age of 23 after years of misdiagnosis. It was her dying wish to start a breast cancer resource center where women could go for support and information in Riverside County. Neon and the American Road Exhibit

The Wally Parks NHRA Motorsports Museum presented by Automobile Club of Southern California and the Museum of Neon Art (MONA) will unveil a new exhibit, *Neon and the American Road*, dedicated to automotive-related neon and their illuminating presence across American highways, on May 2 during the monthly Prolong Twilight Cruise.

Located in the Museum’s Hall of Champions, the exhibit explores the history and development of neon signs along American highways, and how neon changed the look of the nighttime highway scene.

“This new exhibit in partnership with MONA will be enlightening for visitors of all ages. To be able to educate visitors on the unique connection between the American road, neon and the automobile is going to be a treat,” Museum Executive Director Tony Thacker said.

The exhibit will feature auto-related neon signs from MONA’s permanent collection as well as from other private neon collectors. In addition neon artists will display their works that relate to the automobile, highway and travel theme with a show called *Traveling Light*. Historical photographs of iconic L.A. auto dealerships by Tom Zimmerman will also be featured in the exhibit.

A neon fabricating workshop will be built as part of the exhibit display to provide ongoing demonstrations on sign restoration. “Neon fascinates people of all ages because of its brilliant colors and its appearance of being ‘alive’ when viewed close-up,” MONA Director Kim Koga said. “The exhibit is a great new addition to the Museum and will relate to the golden era of neon and American highways, roads and streets.”

During the Prolong Twilight Cruise, admission to the Museum and Cruise is free, 10am to 8pm. Stay for the entertaining monthly gathering of some of the coolest hot rods, customs, classics and everything in between.

Neon and the American Road Exhibit will run through December 2012.

The Wally Parks NHRA Motorsports Museum is open Wednesday through Sunday, 10am to 5pm. Current NHRA members are admitted free and Auto Club members enjoy a \$2 discount. Admission for non-members is \$8 for adults, \$6 for seniors 60 and older, \$6 for juniors six through 15, and free for children under the age of five. She's performed with some of comedy's biggest stars such as Robin Williams, Jay Leno, Billy Crystal and others.

Whoopi Goldberg launched onto the performing arts scene in a big way after her acting chops were noticed in her own one-

woman stage show. A director liked Whoopi and asked her to bring the show to Broadway. While there in the mid-1980s, she apparently caught the eye of movie director Steven Spielberg, who was getting ready to shoot *The Color Purple*. Goldberg was nominated for an Academy Award for her performance. She won role after role and received an Oscar for Best Supporting Actress for her part in the movie *Ghost*. She performed a series of HBO specials in the late 80s and continues to make audiences laugh.

Tickets for Whoopi's Fantasy Springs performance are \$29, \$49 and \$59 and available in person at the Fantasy Springs Box Office, by calling (800) 827-2946 or online at www.FantasySpringsResort.com. **IER**

Mariachi Champaña Nevín is making a name for itself as a virtuoso ensemble of uncompromising quality with a multicultural aesthetic unique in the world of music. Led by Jeff Nevin, this ensemble's performances, recordings and workshops have thrilled and inspired mariachi and Classical-music enthusiasts alike. Turning effortlessly from classic, very traditional Mexican standards to transcriptions of beloved works from classical music literature, their skill and authenticity within both of these traditions is a thrill to behold.

Florencia Tinoco has thrilled audiences worldwide with her beautifully expressive soprano voice. She is a native of México and classically trained in México, Europe and the United States. Her vast repertoire has kept her busy singing in major roles including Puccini's *La Bohème*, Georges Bizet's *Carmen*, Mozart's *Magic Flute*, Verdi's *Requiem*, and Carl Orff's *Carmina Burana*.

Florencia is rapidly becoming recognized for her unique style of combining opera highlights with the colorful sound of the mariachi ensemble. She has recorded in CD and DVD format with the Jalisco Philharmonic, Bogota Philharmonic, Baja California Orchestra, Or-

questa de la Universidad del Estado de Hidalgo, Symphonic Mariachi Champaña Nevin, and Mariachi Sol de México.

Born in the port of Veracruz, México, Rafael Palomar started playing in the Plaza Garibaldi with different groups at the age of 13, while studying in the Escuela Libre de Música in México City. Directed by his father Roman Palomar, Rafael performed with Mariachi Charros de Ameca for 15 years.

The group cut their first recording of the famous song *Mariachi Loco*, composed by his father. Rafael traveled to the United States with Mariachi Charros de Ameca, to accompany the Charro del Misterio, Las Jilguerillas and Sr. Montemayor. At 17, Palomar became a member of Mariachi Latino working in the well-known restaurant "Plaza Santa Cecilia" in México City, accompanying famous singers such as Las Hermanitas Nuñez, Marco Antonio Vasquez, Manuel López Ochoa, Magda Franco, Maria Elena Sandoval and many more.

From 15-22 years of age he had the opportunity to record productions of Los Hermanos Zaizar, Federico Villa and others with his father. Later, Rafael Palomar had the tremendous opportunity to become a member of Mariachi Vargas de Tecalitlán, with whom he traveled

to many countries including the USA, Japan, Holland, Canada, China, Venezuela, Colombia, Ecuador, Chile, Peru and others. They accompanied many singers, including Lucha Villa, Lucero, Beatriz Adriana, Estela Nuñez, Aída Cuevas, Guadalupe Pineda, and more. A very significant aspect of his work with Mariachi Vargas was Palomar's participation in approximately 35 recordings, considered classics in the genre today.

Palomar retired at the age of 47 and since then has worked as musical director for Sr. Ezequiel Peña, accompanying him on a tour of México with his Mariachi Palomar de Ameca. He also directed Peña's band. Rafael Palomar currently resides in the United States and teaches singing lessons. In his free time he composes arrangements for singers and mariachis who request them.

Trio Casablanca is known as one of the best Trios in the United States for their romantic interpretations of the Bolero and for their original and traditional style of the romantic Trio.

Pedro Lopez is known for his unique style of playing the Requinto and accompanying many well known artists in recordings and productions. He has also performed in various Mariachi Festivals held at the Hollywood Bowl. **IER**

"During his career, Sammy won on Triumph, BSA, Royal Enfield, Norton, Honda and Harley-Davidson motorcycles—unheard of at the time. Flamboyant, he was the first Flat Track rider in the country to compete in colored leathers, standing out in a sea of black leather clad competitors," Ascot Reunion organizer Jerry Greer said. "To have him as our Grand Marshal is truly an honor."

When Tanner first began racing as a teenager, he was just 5 feet tall and weighed almost 100 pounds, earning him the nickname the "Flying Flea." He was inducted into the American Motorcyclist Association (AMA) Motorcycle Hall of Fame in 1999. Read more about Sammy on motorcyclemuseum.org/halloffame/detail.aspx?racerid=278. Sammy will be joined by numerous riders including Grand National Champions Gene "Burrito" Romero and Gary Scott for a day of wild and crazy Ascot memories.

The Ascot Flat Track Reunion - Saturday, May 12, 9am to 4pm - celebrates the spirit of Ascot, Greer saying, "The track may be gone but the legend and ideals that was Ascot live on, as do many of the racers."

Entrance is just \$10 for everybody including those who want to bring a Flat Track motorcycle. There will also be displays of memorabilia, rarely seen racing movies, an autograph session (\$5 extra), raffle and plenty of Grand National-level bench racing. There are no awards and no judging.

Proceeds from the event support the Aid To Injured Riders and the Wally Parks NHRA Motorsports Museum—both are 501(c)3 not-for-profit organizations.
