HONORING VOLUNTEERS AT THE GARDEN GROVE STRAWBERRY FESTIVAL

The 59th Annual Garden Grove Strawberry Festival is a non-profit organization dedicated to raising funds for the community - over \$6.5 million since its inception in 1958. This year fourteen non-profits received a combined total of over \$149,000.

The Festival also benefits many non-profit groups whose food and game booths collectively raise over \$100,000 more. The board awards scholarships to local school students, underwrites parade participation for school bands, and treats over 2,000 special needs kids to a day of free rides and food.

This year's theme is "Honoring Our Community Superhero Volunteers", and many exceptional volunteers and their families will be celebrated in the Saturday parade and treated to a day of food and fun.

The festival - the second largest city festival in the Western United States - will be held Memorial Day Weekend Friday, May 26 through

Monday, May 29, at the Village Green between Main Street and Euclid Avenue in downtown Garden Grove.

Last year's attendance was over 300,000.

Highlights include the Friday evening official giant strawberry cake cutting ceremony at 6pm at the Showmobile (Acacia and Main streets) when free cake is served to over 2,000 people. Saturday morning begins with a 5K Strawberry Run followed by an 8:30am VIP celebrity breakfast at the Garden Grove Community Center. Next is a parade at 10am with film and TV celebrities, floats, bands, equestrians and characters.

All four festival days will include 35 carnival rides, 5 contests, over 200 food and sales booths, games, music and live entertainment in the amphitheater and Showmobile. Contests include the Berry, Berry Beautiful Baby Contest, Redhead Roundup, Strawberry Idol Karaoke, and Tiny Tots King and Queen. **IER**

WEST COAST THUNDER XVIII Is Just Days Away!

All proceeds from the Memorial Day Bike Run benefit the Riverside National Cemetery Support Committee

It's that wonderful season again West Coast Thunder time! So many motorcycle enthusiasts come together on Memorial Day Monday to honor our fallen heroes. This year, West Coast Thunder's 18th year, they are proud to say that they have given over \$800,000 to their sole benefactor, the Riverside National Cemetery Support Committee.

As the major contributor of financial support to the Riverside National Cemetery, West Coast Thunder funds have provided the construction of the National POW/MIA Memorial, repairs to the National Medal of Honor Memorial, funding for the RNC Memorial Honor Detail, and for the Concert of Heroes held each July. In the past two years, WCT monies assisted in the repairs and replacement of the beautiful fountains in this the third largest National Cemetery in the United States and the busiest with over 36 burials per day. These fountains are not just to add additional beauty to the already majestic grounds but are necessary as the filtering system for the lakes in the cemetery.

However, more recently, West Coast Thunder funding made it possible to hold a National Medal of Honor Day on March 25. Their financial support to our National Cemetery continues with the exponential growth of West Coast Thunder each year as the City of Riverside's Memorial Day event.

Not only does this huge event inspire motorcyclists but it has become a Memorial Day tradition for families and friends who bring their lawn chairs, poster, and flags out to wave as the parade passes

their neighborhood in Riverside and Moreno Valley. There have even been parties spotted along the parade route including a jumper for the kids. What a great way to teach our youngsters about patriotism and to honor our Veterans.

So many people look forward to the West Coast Thunder Memorial Day event each year. It takes well over 300 volunteers to put an event of this magnitude together, to plan and organize the details, to register the participants, put up and remove traffic signage and equipment, and to help to stage the bikes before they depart Riverside Harley-Davidson. Organizers say they are very grateful for all this support and the dedication of our city officials, Riverside and Moreno Valley Police, and the CHP who are so vital in helping to keep everyone safe.

Speaking with several people who attend West Coast Thunder year after year, they are proud to be able to name exactly the few years that they missed out of the past seventeen and the reasons why. It is an important enough Memorial Day event that they mark it down on their yearly calendars as if it were a family birthday.

This year the tribute concert, which will be held at Soboba Casino's outdoor arena, will begin with the West Coast Thunder Color Guard doing the colors and local singer, Michael Houston, singing the National Anthem and a medley of patriotic songs. Then the LANco Band will open the show. The WCT Color Guard will perform their emotional Ultimate Sacrifice Ceremony between sets and then the phenomenal Eli Young Band will entertain the crowd in style. **IER**

Beat The Summer Heat

Beat The Heat For Cheap With Water Slide Season Passes

Beat the heat all summer long with new season passes available for Alpine Slide's refreshing double water slide opening Memorial Day Weekend.

Guests get all the wet, wild fun they can handle with new anytime water slide season passes available for just \$69. Hit the twin flumes filled with cool, cascading water and plenty of twists, turns and straightaways anytime you want with Alpine Slide op-

erating daily starting June 10th. The anytime pass pays for itself in less than five visits.

Also available are Sunday through Friday season passes for only \$49 (excluding July 4th). Either way guests get all the play in the spray they want as they whip through refurbished flumes before splashing into the solar heated pool at the bottom...a great way to beat summer heat!

The water slide is always an

SLIDERS *There are plenty of twists, turns and straightaways at Alpine Slide in Big Bear.*

affordable way to play anyway with all-day passes just \$15, 10 rides for \$10, or single rides for \$2. Parents who don't play never have to pay, many choosing to sit on one of two spacious sundecks with a good book while the kids have a blast. Or, head to the recently expanded indoor base lodge to escape the sun where there's video games and family-priced snack bar that includes an old-fashioned Breyers ice cream counter.

Alpine Slide is famous for its Olympic-style bobsleds which are in season all year long. Snow is never needed since the sleds have teflon runners and ball-bearing wheels, and the quarter-mile long tracks with banked turns and long straightaways are cement.

Riders control their own speed with the brake, and unlike any amusement park ride, each

trip down is a completely unique and interactive experience. Lean into each turn and go into a tuck through straightaways to experience what it's like to be an Olympic bobsledder, or use the brake to go slow and soak in views of the lake and mountains.

For a relaxing change of pace enjoy a round on the Putt 'N Around miniature golf course, laden with rolling greens, water hazards, even penalty-stroke "sand traps."

Then for more fast fun, ride the Putt 'N Around Go-Karts, each equipped with 5.5 horsepower Honda motors and an array of safety features including three-point harness restraints, hydraulic disk brakes, rack and pinion steering and padded steering wheels. The tire-lined track sports hair pin and high banked turns as riders circle under the pines at 7,000 foot elevation. **IER**

The Southern California Festival And Sale Is Coming To Upland

The Festival features quilts, crafts, woodworking, food court, auction, kids' activities, collectibles, and more!

The Southern California Festival & Sale is celebrating its 20th anniversary this year! On May 19 and 20, the Pacific Christian Center in Upland (on the corner of Arrow and San Antonio) hosts the festival. Starting at 4pm on Friday and 7am until about 3pm on Saturday, it's the place to be.

As one of the fundraising events for Menonite Central Committee, the Sale is often known for its handmade quilts, but there are other features also offered.

There are many very skilled woodworkers who have been providing the Festival with handmade items for quite a few years.

Dennis Maust is a local artisan who has been making and donating beautiful wood pieces from the beginning of the auction 20 years ago. This year he has made a beautiful wooden cutting board made with a number of varieties of hard wood that create a beautiful striped pattern.

Earl Light, a craftsman from Pennsylvania, has been making for the festival beautiful wood

furniture pieces for the last number of years as well. He handcrafts them in his shop in Pennsylvania and then he and his wife take a road trip and bring them to California for the festival.

This year the festival features two solid wood dressers from him, one is in cherry and one is done in walnut. The craftsmanship is beautiful.

Visitors to the fair will not want to miss an opportunity to take one of these home, for the highest bid of course.

Another feature is the popular food court. Many of the booths feature international foods including suya chicken, salvadoran tamales, carne asada, teriyaki chicken, and asian noodle

soup and egg rolls. On Friday evening there is a tasty tri-tip barbecue as well as a limited selection of the food booths.

Saturday morning begins bright and early with a make-your-own-omelet breakfast beginning at 7am. All food booths are open on Saturday.

In addition to the international booths, one can also find hamburgers, homemade German sausage, tri-tip sandwiches, soup, salad and baked potatoes.

Finish off your meal with homemade strawberry shortcake or funnel cakes topped with strawberries or visit the Country Kitchen for many other sweets to tempt you.

Visitors are invited to come and join in the festivities for both days and bring the entire family. There is something for everyone! **IER**

Fresh off winning the fan voted Classic Rock Magazine Album of the Year award, Def Leppard announced they will return to the road. Southern California fans will flock to Citizens Business Bank Arena on June 14, for the show which includes Poison and Tesla.

Def Leppard front man Joe Elliott says, "We're thrilled to be able to take this tour to cities we didn't play in 2016. The demand for us to return, or rather extend the tour, was phenomenal! There's a great buzz around the band right now and we're loving the fact that we can do this with the latest album being so well received."

With two prestigious Diamond Awards to their credit, Def Leppard—Joe Elliott, Phil Collen, Vivian Campbell, Rick "Sav" Savage, and Rick Allen—continues to stand

tall in the music industry and deliver some of the most iconic rock melodies and memorable anthems of all time. Most recently, their 2015 self-titled album featured singles "Dangerous" and "Let's Go" which premiered via RollingStone.com and hit #1 on the Billboard Top Rock Albums Chart.

The tour also marks the first time in over five years that Poison will tour with all original members including Bret Michaels, CC DeVille, Bobby Dall, and Rikki Rockett. Poison has sold over 40 million records and is set to perform some of its greatest hits including "Nothin' but a Good Time", "Every Rose Has Its Thorn", "Talk Dirty to Me", "Unskinny Bop" and "Something to Believe In".

Michaels says, "I could not be more excited. I know all of us will give one thousand

percent on stage and we are looking forward to performing our hits together. I personally could not be more thankful for the three generations of fans and I love the music of Def Leppard and Tesla. This will be an amazing night of rock and roll. Don't wait because god only knows."

DEF FEST

Citizens Business Bank Arena, along with KCAL 96.7FM Rocks!, is hosting a pre-show event, titled Def Fest, just outside the Box Office on the afternoon of the show. Starting at 4:30pm fans, 21 and over, can gather for food and beverage, purchase official merchandise, and rock to the music of a few local bands.

"Part of our commitment to improving the guest entertainment experience is going the extra mile with this type of event," said Michael Krouse, President and CEO of Citizens Business Bank Arena. "We know the loyal fans will be at the concert, and we look forward to welcoming our guests to the show!"

On Saturday, June 10, the Art Alliance of Idyllwild will hold a Plein Air (outdoor painting) competition with cash prizes. The competition is limited to 25 artists, who will be painting in and around the scenic mountain community of Idyllwild. Artists will paint from 8:30am until 2pm, when they will submit their painting, (along with one additional painting) to the Middle Ridge Winery Tasting Gallery at 54301 N. Circle Dr. in Idyllwild.

The paintings that are painted during the day will then be judged and become available for sale during a wine and cheese reception. Featuring the participating artists, the event will be open to the public, starting at 5:30pm at Middle Ridge. This opportunity to congratulate the winners and mingle with the artists with a glass of wine is sure to be a fun and exciting event.

Cash prizes will be awarded: \$300 for first place, \$200 for 2nd place and \$100 for 3rd place. The gallery will stay open through Sunday, June 11.

Many local galleries and hot spots will be featuring live painting demonstrations from 10am to 2pm. See their website, artinidyllwild.org, for more details on where these will take place.

Plein Air painting is derived from the French "en plein air" which simply means "outdoors." The first painters credited with painting en plein air were the French artists of the Barbizon School impressionist period when painters such as Rousseau (1812-1867) rejected the conventions that stressed studio painting even when painting landscapes. These artists immersed themselves in nature and "chased the light" for a period of two hours or so while painting out-

doors. Generally, one can determine the time of day in a plein air painting by the light and shadows.

In California, plein air painting became popular in the beginning of the 20th century, with a resurgence

of interest starting in 1995 in Laguna Beach, with the founding of the Laguna Plein Air Painters Association (LPAPA.org). **IER**

New York, New York to Cabaret and Funny Lady,
CSUSB presents a musical celebration!

Cal State San Bernardino's Department of Theatre Arts and the Ellen Weisser Endowed Theatre Showcase closes out the 2016-2017 theatre season in June with *The World Goes 'Round*, a musical revue spanning the musical career of the Tony Award-winning songwriting team of John Kander and Fred Ebb.

Composer John Kander and lyricist Fred Ebb forged one of the most successful and longest-running partnerships in American musical theater history, lasting more than three decades. From their first Broadway musical *Flora, The Red Menace*, to *Kiss of the Spider Woman*, and *Cabaret*, to films including *Funny Lady*, and *New York, New York*, the duo's sharp wit and

theatricality truly set them apart from their contemporaries.

Directed by professor Kathryn Ervin, *The World Goes 'Round* is a true celebration of Kander and Ebb, seamlessly weaving song and dance selections from some of their most renowned musicals — *Chicago* ("All That Jazz," "Mr. Cellophane"); *Cabaret* ("Maybe This Time," "Cabaret"); *New York, New York* ("There Goes the Ballgame," "New York, New York") — into a stunning theatrical piece. Each selection delves into the world of specific characters, with segments that transition effortlessly from one to the next.

The curtain rises on *The World Goes 'Round* June 2, 3, 8, 9, and 10 at 8pm,

with matinee performances on June 4, 10, and 11 at 2pm. **18+**

City of Riverside Solid Waste Programs

Going Green In The City Of Riverside Is As Easy As 3-1-1!

The City of Riverside offers their residents several options to recycle their waste.

The first is to utilize the automated curbside collection recycling blue barrel for the following material types: glass (food and beverage containers), plastics numbered 1-7, paper products and metals. Please ensure that materials are free of residual foodwaste and liquid.

Secondly, contact 3-1-1 for all other recycling and scheduling needs. Larger materials that cannot fit into the blue recycling barrel, such as

appliances, can be collected by contacting the City. If a resident has materials like used motor oil and used oil filters they can arrange for curbside collection. All other bulky items can be collected through the two free curbside bulky

item collections provided to residents. These items include sofas, chairs, and mattresses.

Other options for bulky items and e-waste collection can be accommodated at one of the four C.U.R.E. events (Clean Up Riverside's Environment) held during the year and throughout the city. Information on these dates and other

services can be obtained by visiting their webpage at www.riversideca.gov/publicworks/trash/ or using your smart phone on this Quick Response code. **IER**

TREAT YOURSELF TO THIS UNIQUE MOUNTAIN ZOO

California has some of the most diverse wildlife in North America. But you don't have to camp out in the wilderness just to catch a glimpse of some of our state's amazing animals.

The Big Bear Alpine Zoo, founded in 1959, is the only alpine zoo of its kind in the United States. Situated at almost 7,000 feet above sea level, the Big Bear Alpine Zoo serves as a rehabilitation facility for both mountain and nearby communities.

With a nearly 80% success rate, animals are nursed back to health or weaned onto solid foods and then released back into the wild. If an animal is too injured or if it has lost its fear of humans, it cannot be released and has a

home for life at Big Bear Alpine Zoo.

If you are planning a trip to Big Bear, get your wild on! A visit to the zoo is the best way to see representatives of our mountain ecosystem. Located on 2.5 acres, Big Bear Alpine Zoo brings the wild to you, housing over 100 animals, mostly native species.

The zoo is located at 43285 Goldmine Drive in Big Bear Lake, right across the street from Bear Mountain Ski and Board Resort. If you want to know more about

the facility and the animals in their care, as well as schedules and special events, check out the website at www.bigbearzoo.org or like them on their facebook page. **IER**
