City of Riverside Solid Waste Programs

Going Green In The City Of Riverside Is As Easy As 3-1-1!

The City of Riverside offers their residents several options to recycle their waste.

The first is to utilize the automated curbside collection recycling blue barrel for the following material types: glass (food and beverage containers), plastics numbered 1-7, paper products and metals. Please ensure that materials are free of residual foodwaste and liquid.

Secondly, contact 3-1-1 for all other recycling and scheduling needs. Larger materials that cannot fit into the blue recycling barrel, such as

appliances, can be collected by contacting the City. If a resident has materials like used motor oil and used oil filters they can arrange for curbside collection. All other bulky items can be collected through the two free curbside bulky

item collections provided to residents. These items include sofas, chairs, and mattresses.

Other options for bulky items and e-waste collection can be accommodated at one of the four C.U.R.E. events (Clean Up Riverside's Environment) held during the year and throughout the city. Information on these dates and other

services can be obtained by visiting their webpage at www.riversideca.gov/publicworks/trash/ or using your smart phone on this Quick Response code. **IER**

Beat The Summer Heat

Beat The Heat For Cheap With Water Slide Season Passes

Beat the heat all summer long with new season passes available for Alpine Slide's refreshing double water slide opening Memorial Day Weekend.

Guests get all the wet, wild fun they can handle with new anytime water slide season passes available for just \$69. Hit the twin flumes filled with cool, cascading water and plenty of twists, turns and straightaways anytime you want with Alpine Slide op-

erating daily starting June 10th. The anytime pass pays for itself in less than five visits.

Also available are Sunday through Friday season passes for only \$49 (excluding July 4th). Either way guests get all the play in the spray they want as they whip through refurbished flumes before splashing into the solar heated pool at the bottom...a great way to beat summer heat!

The water slide is always an

SLIDERS *There are plenty of twists, turns and straightaways at Alpine Slide in Big Bear.*

affordable way to play anyway with all-day passes just \$15, 10 rides for \$10, or single rides for \$2. Parents who don't play never have to pay, many choosing to sit on one of two spacious sundecks with a good book while the kids have a blast. Or, head to the recently expanded indoor base lodge to escape the sun where there's video games and family-priced snack bar that includes an old-fashioned Breyers ice cream counter.

Alpine Slide is famous for its Olympic-style bobsleds which are in season all year long. Snow is never needed since the sleds have teflon runners and ball-bearing wheels, and the quarter-mile long tracks with banked turns and long straightaways are cement.

Riders control their own speed with the brake, and unlike any amusement park ride, each

trip down is a completely unique and interactive experience. Lean into each turn and go into a tuck through straightaways to experience what it's like to be an Olympic bobsledder, or use the brake to go slow and soak in views of the lake and mountains.

For a relaxing change of pace enjoy a round on the Putt 'N Around miniature golf course, laden with rolling greens, water hazards, even penalty-stroke "sand traps."

Then for more fast fun, ride the Putt 'N Around Go-Karts, each equipped with 5.5 horsepower Honda motors and an array of safety features including three-point harness restraints, hydraulic disk brakes, rack and pinion steering and padded steering wheels. The tire-lined track sports hair pin and high banked turns as riders circle under the pines at 7,000 foot elevation. **IER**

Big Bear Speedway Open for Real Racing

Fun Fast times move from snow-covered slopes to the race track as Big Bear Snow Play high in the San Bernardino Mountains opens its popular Speedway track. Big Bear Speedway offers a real-life racing experience as drivers negotiate fully featured Sodi RT8 Karts around a fifth-of-a-mile long course filled with hairpin turns and S-curves galore.

Drivers reach speeds upwards of 30 mph as they compete against the clock on a Grand Prix-style course where the same Tecpro barriers used in Formula 1 and circuits around the world line the track. Sodi's RT8 Kart is really a mini-race car with features straight from the automotive industry, like self-adjusting hydraulic brakes and vacuum fuel pumps.

The leader in the kart racing craze sweeping the country, Sodi Karts offer speed and safety with Four Point seat belts. It's an authentic experience that allows everyone to get a taste of Formula 1 racing! The karts handle like race cars with pinpoint steering and the Honda Whisper Motors generate amazing

power, enough for cars to lay rubber on the paved track through the many turns.

Sodi RT8 Karts sport design elegance and fully adjustable patented pedals to serve up the ultimate Go Pro-worthy race experience.

Big Bear Speedway has 17 single karts and six doubles that have two steering wheels and two brake pedals for training or parent riding with a child. Up to 11 cars are allowed on the track at one time as racers compete against the clock.

Safety is always the primary focus with racers required to wear professional grade helmets. The racing experience begins in the base lodge where first time guests view a two-and-a-half minute safety video. Then they're issued Big Bear Speedway licenses good for one year and assigned a heat number.

Pit crew wave karts onto the track in staggered starts. First lap is not timed so drivers can get a feel for the car and track. Drivers get two to two-and-a-half miles of racing per heat depending on how fast they go. After their heat drivers can get a printout of their time and the six fastest times in the heat. **IER**

Pageant Of The Masters Ready To Embark On 'The Grand Tour'

In the 17th and 18th centuries, the desire to experience the world's great art firsthand inspired the European tradition of continental travel on the Grand Tour. Inspired to set out on pilgrimages by land and sea to the great cultural centers of Europe, and eventually the globe, those early travelers often risked life and limb to stand in the presence of masterpieces. It's that original dedication to expanding one's horizons by visiting the great art centers of Europe that fueled Pageant Director Diane Challis Davy's excitement and research as she fine-tunes plans for this summer's production, *The Grand Tour*.

"Perhaps because I do so much virtual traveling via Google," Challis Davy offered, "I have a fantasy about actual travel and sight-seeing. I was curious about the tremendous difficulties travelers encountered in the 18th

century, with horse-drawn coaches on unpaved roads and no railways, no hotels. Even restaurants hardly existed, and there were virtually no public museums."

On the traditional Grand Tour, art became a destination for privileged travelers in much the way the Pageant during its 84-year history has become a destination for theatregoers who want to experience art in a one-of-a-kind entertainment. "Much of the show will unfold like a journey," Challis Davy said.

There'll be no shortage of masterpieces in the 2017 Pageant, including works by Leonardo da Vinci, Tiepolo, Longhi, Watteau, Reynolds, and Romney. But, as in previous years, the production's theme will expand to include American artists like John Singer Sargent whose work was transformed by his travels.

LEWIS FAMILY PLAYHOUSE
10TH ANNIVERSARY 2006 2016

With the coming of the 20th century, new modes of transportation made it possible for almost everyone to go on their own “tourist’s grand tour,” and the theatrical possibilities assure no shortage of Pageant-style fun and inventive showmanship. A side trip to Pompeii, a celebration of Carnival in Venice and the European tour of Buffalo Bill’s Wild West Show offer abundant opportunities for surprises and special effects. A tribute to Paris in the early 20th

century when audiences in clubs embraced the talents of Josephine Baker, Louis Armstrong, and Duke Ellington reveals how a change of scene can launch an artist’s career.

Among the great stories associated with the original Grand Tours, Challis Davy has her own favorites including the romantic saga of Lord Hamilton, Emma Hart, and Lord Nelson, whose exploits helped make Naples a must-see destination during the late 18th century.

Pageant Scriptwriter Dan Duling explained, “I hope we can recreate some of that sense of awe shared by those early travelers when they visited the grand palaces, ancient ruins and art centers of Europe. The original Grand Tours were educational pilgrimages, to Paris, Rome, and beyond. Those who made the journeys couldn’t help but be changed by what they saw, what they brought back, and what they experienced so far from home.”

As always, Challis Davy and her staff realize the Pageant wouldn’t be possible without their volunteers who make it their summer destination, traveling from all over the Southland and returning year after year to take part. Challis Davy offered one final thought, “*The Grand Tour* is about travel for pleasure. And what greater pleasure can there be than to find oneself in the presence of great art at the end of the journey?”

ABOUT THE PAGEANT OF THE MASTERS
PRESENTED BY THE FESTIVAL OF ARTS OF LAGUNA BEACH

The Pageant of the Masters is arguably one of the most unique productions in the entire world. Audiences are amazed and enchanted by ninety minutes of tableaux vivants (“living pictures”), incredibly faithful re-creations of classical and contemporary works of art, with real people posing to look exactly like their counterparts in the original pieces. A live narrator serves as a guide through the story of each living picture accompanied by the music of a professional orchestra.

CATS, The Community Arts Theater Society, will present the delightful Broadway musical *You're A Good Man, Charlie Brown* for eight performances at the Big Bear Lake Performing Arts Center. Performances are June 30, July 1, 3, 5, 7 and 8 at 7:30pm and Sunday matinees on July 2 and 9 at 1:30pm. This Broadway version of *You're A Good Man, Charlie Brown* won two Tony Awards and a Drama Desk Award for the 1998-1999 season. It features all of the classic musical numbers including "My New Philosophy" (which made Kristin Chenoweth a star) and also wonderful Charlie Brown songs from

"Beethoven Day" to "The Book Report" and "Happiness". Featuring favorite Charles M. Schulz characters from the famous Peanuts cartoon strips, CATS will present the musical with older teen and adult performers as was originally written. The show features many CATS veteran performers: Adam McDonald plays Charlie Brown, Carolyn Freeman Champ is Lucy, Serena Saunders is Sally, Amber Parle is Snoopy, Timmy Brasher is Linus, and Troy Obernolte is Schroeder.

The musical depicts an average day in the life of Charlie Brown, made up of memorable cartoon moments ranging from Charlie Brown's wild optimism to utter despair. From the frustration of the baseball game, to the insecurity of Valentine's day, to problems writing a book report, it is all depicted on stage by his human and non-human friends. The classic score opens with Charlie Brown's uncertain but optimistic morning ("You're A Good Man, Charlie Brown"), and happily ending in a hopeful starlit evening ("Happiness").

Show stoppers include Snoopy singing "Supper-time" and Lucy's songs ("Schroeder" and "The Doctor Is In").

The whole Peanuts Gang is also featured in "The Book Report", "The Baseball Game" and "Beethoven Day".

Karen Sargent Rachels will Produce/Direct and Choreograph with Karen Bergmann as Associate Producer, Priscilla Anderson is Costume Designer, and Sets are by Joanne McMaster. Bob Perry is Chief of Set Construction, Randy Worden and Dan Vanoost are Lighting Designers.
