Axes & Axles

The Art of Building Cars and Guitars

 If there's one thing that American's love as much as cars, it's guitars. **Axes & Axles: The Art of Building Cars and Guitars**, Celebrating the 60th Anniversary of the Fender Telecaster, is a new exhibition that acknowledges the synergy between guitars (axes) and cars (axles). On view at the Wally Parks NHRA Motorsports

Museum, Axes & Axles is presented from September 4 through January 31, 2011.

This exhibit will feature a vast collection of rare photographs, rock memorabilia and personal cars and guitars from rock icons such as Eric Clapton, Jeff Beck, Michael Anthony, Kenny Wayne Shepherd, Billy F Gibbons and many more.

As part of the 60th Anniversary of the Fender Telecaster guitar, the exhibit will also illustrate the history of Fender and celebrate one of the most famous guitars ever built, the Telecaster.

"Guitars and cars have a great deal in common: both are means of expression, both generated fanatical fans and both offer a stairway to freedom," Museum Director Tony Thacker said. "This new exhibit will showcase the amazing connection of guitars and hot rod building. It's going to make visitors want to rock!"

Some of the celebrity cars and guitars in the exhibit include equipment from:

- Michael Anthony, former bassist for the rock band Van Halen
- Jeff Beck, legendary English rock guitarist
- Eric Clapton, famed English blues-rock guitarist, singer, songwriter and composer
- Chip Foose, celebrity automotive designer
- Billy F Gibbons, guitarist of ZZ Top
- Kenny Wayne Shepherd, blues/rock guitarist
- Brian Setzer, guitarist, singer, songwriter, and actor

Soboba Golf Classic to benefit cancer research foundation

The 2010 SOBOBA GOLF CLASSIC, an official event on the PGA TOUR's Nationwide Tour, announced that it has selected The V Foundation for Cancer Research as the beneficiary of the Soboba Casino Charity Pro-Ams, to be held at 8am and 1pm on Wednesday, September 29 during the Soboba Golf Classic at The Country Club at Soboba Springs in San Jacinto.

"We are honored and excited to be the beneficiary of the Soboba Golf Classic's Soboba Casino Charity Pro-Ams,"

Nick Valvano, CEO of The V Foundation for Cancer Research, said.

In addition to the Soboba Casino Charity Pro-Ams, the Soboba Golf Classic donated a golf package valued at \$10,000 to the "Don't Give Up ESPYs V Foundation Auction," which was held June 29-July 9.

"Giving back to the community is a top priority for the Soboba Band of Luiseño Indians," Soboba Golf Classic Tournament

Director Ed Winiecki said. "By supporting the magnificent work of The V Foundation for Cancer Research, as well as our local charities through the Tournament's Tickets Fore Charity Program, it is the tribe's goal to truly help make a difference in the lives of others."

The V Foundation for Cancer Research was founded in 1993 by ESPN and the late Jim Valvano, the legendary North Carolina State basketball coach and ESPN commentator. Since 1993, The Foundation has raised more than \$95 million to fund cancer research grants nationwide. It awards 100 percent of direct cash donations and net proceeds of events directly to cancer research and related programs. The Foundation, which has received seven consecutive top 4-star ratings from Charity Navigator, awards grants through a competitive awards process strictly supervised by a Scientific Advisory Board. For more information, visit www.jimmyv.org.

The 2010 Soboba Golf Classic is one of only two tournaments on the PGA TOUR's Nationwide Tour with a purse of \$1,000,000. The Soboba Golf Classic is expected to draw tens of thousands of spectators to the region over the course of Tournament week, and will be broadcast live on The Golf Channel from 1pm to 3pm PST, September 30 through October 3. Through the Tickets Fore Charity program, participating charities can purchase tickets on behalf of their charitable organization, with 100% of the ticket sales going directly back to the participating charity. For more information, visit www.sobobaclassic.net.

Founded, owned and operated by the PGA TOUR, the Nationwide Tour identifies those players who are ready to compete and win on golf's biggest stage. To learn more about the PGA TOUR and Nationwide Tour and to follow the season-long quest for a PGA TOUR card, visit PGATOUR.COM.

Don McLean appears at the Fox Performing Arts Center

Don McLean

Legendary musician Don McLean takes the stage in Riverside for a one-night appearance at the Fox Performing Arts Center, Aug. 27, at 8pm.

Don McLean's most famous composition, "American Pie," was recorded on May 26, 1971 and a month later received its first radio airplay on New York's WNEW-FM and WPLJ-FM to mark the closing of The Fillmore East, a famous New York concert hall. "American Pie" reached number one on the U.S. Billboard magazine charts for four weeks in 1972, and remains McLean's most successful single release. The single also topped the Billboard Easy Listening survey and is the longest song to reach No. 1 with a running time of 8:36. Some stations played only part one of the original split-sided single release.

Twenty-nine years later, pop singer Madonna released a truncated dance-pop cover version of the song. In response, Don McLean said: "I have received many gifts

from God but this is the first time I have ever received a gift from a goddess."

In 2001 "American Pie" was voted No. 5 in a poll of the 365 Songs of the Century compiled by the Recording Industry Association of America and the National Endowment for the Arts.

The equally famous "Vincent" (often known to people by the first line of its refrain, "Starry, starry night") assured that Don McLean would become a permanent part of our musical heritage.

"And I Love You So," another famous and instantly recognizable McLean song, was covered by Elvis Presley, Helen Reddy, Shirley Bassey, Glen Campbell, Engelbert Humperdinck and was a hit for Perry Como.

The Fox Performing Arts Center is located in downtown Riverside. Tickets are available at ticketmaster.com, Ticketmaster outlets and the Riverside Municipal Auditorium box office. For more information, call (951) 779-9800, or go online to www.foxriversidelive.com. **IER**

An Eagle and a Bat fly into Fantasy Springs

Fantasy Springs Resort Casino plays host to rock and roll superstars Meat Loaf and Don Henley next month in two separate concerts, with tickets on sale now.

Tickets for both the Don Henley and the Meat Loaf shows are available for purchase at the Fantasy Springs Box Office, via telephone at (800) 827-2946 or online at www.FantasySpringsResort.com.

MEAT LOAF

Meat Loaf has sold more than 40 million albums worldwide and his *Bat Out Of Hell* album trilogy continues to sell hundreds of thousands of copies each year, according to BBC Radio2. The Grammy Award-winning rocker and actor takes over the Special Events Center Stage at Fantasy Springs on September 4, at 8pm. Tickets for his show are \$49-\$89.

Meat Loaf got his first real break in the music business in the Los Angeles production of the musical, *Hair*. He went on to record for a short time with the Motown label, then rejoined *Hair* on Broadway. This more notable production led to more opportunities including a part in the *Rocky Horror Picture Show*. Meat Loaf played the part of Eddie in the now cult film/musical. After several years of work on the *Bat Out Of Hell* album, it was released to popular acclaim in 1977. Meat Loaf has appeared in many television shows and movies including *Fight Club* with Edward Norton and Brad Pitt and *Wayne's World* with Mike Meyers and Dana Carvey.

DON HENLEY

Don Henley, a singer, songwriter, drummer, founding member of *The Eagles* and a seven-time Grammy Award-winning solo artist, soars into the Fantasy Springs Special Events Center on September 17 at 8pm. Tickets for Don Henley are \$59-\$109.

Singer, songwriter and founding member of *The Eagles*, Don Henley has been ranked as one of the greatest singers of all time by *Rolling Stone* magazine. Before the Eagles became a bona fide band, all four members played instruments for Linda Ronstadt on tour. They released their first album in 1971 and enjoyed continued success through the decade. Don Henley flew solo through most of the 1980s, writing and releasing hits such as "Dirty Laundry," "Boys of Summer," and "All She Wants to Do Is Dance." Henley has collaborated with other heavy hitting artists on songs and albums such as Stevie Nicks and Bruce Hornsby. He continues to work on solo projects, as well as music with *The Eagles*. **IER**

He has a no nonsense point of view and the ability to connect with a diverse audience by pointing out society's hypocrisies. Ralphie doesn't shy away from touchy topics or ethnic jokes, nor does he bite his tongue when society suggests, because he sincerely believes that as long as what he's saying is true, people need to hear it.

The Russian Yak-3U fighter plane will fly at the Chino Airport during the Planes of Fame Air Museum Living History Flying Event on September 4.

The Red Star flies again

Fighters of the Red Star, the story of the Russian air war against Germany during World War II, is the subject of the Living History Flying Event hosted by Planes of Fame Air Museum at the Chino Airport on September 4. The event begins at 10am with a seminar describing the air war on the Eastern Front and the Yak-3 fighter plane, one of the most effective Russian combat aircraft of World War II, and conclude with a flight demonstration by the Planes of Fame Air Museum's Yak-3U.

A story little known in the West, the air war on the Eastern Front during World War II was one of intense, unrelenting combat from the first day of the German invasion of Mother Russia until the war came to a conclusion in the streets of Berlin. Initially

plagued with inferior combat aircraft and poor training, Russian aviators nevertheless fought with great courage and dedication, sometimes even resorting to ramming German aircraft in the air while desperately trying to defeat the enemy.

Although the German Luftwaffe actually out-scored the Russians, the Russians were able to overwhelm the Germans with strength of numbers, helped to some extent by the supply of equipment from the United States and Britain, and sheer determination. Unlike their Allied counterparts in the West, Russian aviators seldom received breaks from combat. So, many of those who did survive were able to run up high individual scores in air-to-air combat.

An independent, non-profit institution

dedicated to the preservation of the artifacts and history of aviation, Planes of Fame Air Museum was the first permanent air museum in the American West and a pioneer in the concept of restoring historic display aircraft like the Yak-3 to flying condition. Staffed primarily by a core of dedicated volunteers, the museum supports its operations with admission fees, donations, facilities rentals and proceeds from the use of its aircraft in various productions.

Planes of Fame Air Museum is open to the public every day from 9am until 5pm. General admission is \$11, youth 5-11 are admitted for \$4 and admission is free for accompanied children under five.

It's

HOT

so get

COOL

Inland Empire summers are always hot, but luckily there is something you can do about it. **Knott's Soak City** water adventure park features 16 acres with 18 intense water rides, more than enough wet stuff to keep any family cool.

Among Soak City's more popular attractions is the Pacific Spin, a multi-person raft ride with a 132-foot long tunnel that drops riders 75 feet into a six-story funnel. After pitching riders back and forth through 5,500 gallons of swirling water, the ride culminates in a waterfall splash. More high-speed thrills await at Tidal Wave Tower, a 7-story speed slide. For those not ready for the big thrills, there's Gremmie Lagoon made exclusively for tomorrow's surfers with pint-sized water slides and splash pool.

Soak City Palm Springs is open through September 26. Operating days and hours vary. General admission is \$31 for regular, \$19.99 for kids (3-11) and seniors ages 62+. Admission includes unlimited use of all water park rides and attractions. Knott's Soak City is located at 1500 S. Gene Autry Trail in Palm Springs.
