Featuring local and regionally known bands, the performance line-up for this salsa music and dance series is always fresh as bands rotate throughout the schedule to ensure each event has its own unique vibe and rhythm.

One regular patron, Stephen Oshiro, recommended to first time guests, "Having fun is the bottom-line! You may not get (all the dance steps) the first time, but it gets into your body and you just start moving. Just come and have fun!"

Of course all that salsa dancing to live music will work up an appetite, but don't worry, Center Stage Theater has you covered. With freshly made food each night and a full bar with drink specials available before 9pm, you'll want to arrive to the event early to take full advantage of the menu.

Come join us at Center Stage Theater at 8463 Sierra Ave. in Fontana to dance the night away! For more information visit [centerstagefontana.com](http://centerstagefontana.com) or call (909) 429-7469.

# Beat The Summer Heat

## Beat The Heat For Cheap With Water Slide Season Passes

**B**eat the heat all summer long with new season passes available for Alpine Slide's refreshing double water slide, open now.

Guests get all the wet, wild fun they can handle with new anytime water slide season passes available for just \$69. Hit the twin flumes filled with cool, cascading water and plenty of twists, turns and straightaways anytime you want with Alpine Slide

operating daily. The anytime pass pays for itself in less than five visits.

Also available are Sunday through Friday season passes for only \$49. Either way guests get all the play in the spray they want as they whip through refurbished flumes before splashing into the solar heated pool at the bottom...a great way to beat summer heat!

The water slide is always an

**SLIDERS** *There are plenty of twists, turns and straightaways at Alpine Slide in Big Bear.*

affordable way to play anyway with all-day passes just \$15, 10 rides for \$10, or single rides for \$2. Parents who don't play never have to pay, many choosing to sit on one of two spacious sundecks with a good book while the kids have a blast. Or, head to the recently expanded indoor base lodge to escape the sun where there's video games and family-priced snack bar that includes an old-fashioned Breyers ice cream counter.

Alpine Slide is famous for its Olympic-style bobsleds which are in season all year long. Snow is never needed since the sleds have teflon runners and ball-bearing wheels, and the quarter-mile long tracks with banked turns and long straightaways are cement.

Riders control their own speed with the brake, and unlike any amusement park ride, each

trip down is a completely unique and interactive experience. Lean into each turn and go into a tuck through straightaways to experience what it's like to be an Olympic bobsledder, or use the brake to go slow and soak in views of the lake and mountains.

For a relaxing change of pace enjoy a round on the Putt 'N Around miniature golf course, laden with rolling greens, water hazards, even penalty-stroke "sand traps."

Then for more fast fun, ride the Putt 'N Around Go-Karts, each equipped with 5.5 horsepower Honda motors and an array of safety features including three-point harness restraints, hydraulic disk brakes, rack and pinion steering and padded steering wheels. # It's Pouring German Beer In Big Bear Lake

## Ayinger Beer Enhances Big Bear Lake Oktoberfest's Authentic Bavarian Charm

Photos by Dan McKernan.

This year Big Bear Lake Oktoberfest adds yet another imported German beer to its extensive beer menu, enhancing Southern California's number-one rated Oktoberfest. For the first time ever Ayinger Brewery (pronounced Eye-ing-gr) in Bavaria, just 16 miles from Germany's original Munich celebration, will have its Oktoberfest-Märzen on tap at the 47th Annual Big Bear Lake Oktoberfest (September 9 – October 28). Ayinger has been creating exquisite beers since 1878, and is well recognized throughout Europe for its quality craftsmanship in brewing beer.

"We're proud to mention that we are exclusively the only Oktoberfest in California pouring Ayinger beer," said Monica Marini, director of Big Bear Lake Oktoberfest. "Ayinger beer has won numerous gold medals and other awards at the World Beer Championships and high-ranking European beer festivals."

Big Bear Lake Oktoberfest already has a great reputation for serving a wide selection of German beers such as Spaten (lager and Oktoberfest), Franziskaner, Warsteiner (pilsner

and dunkel), and Konig Ludwig, to name a few. Ayinger Oktoberfest-Märzen on tap adds even more Bavarian charm to Big Bear Lake Oktoberfest. The classic, seasonal lager has a rich, deep golden color, a satisfying malty fragrance, and a flavor that is the essence of an authentic Bavarian-festival lager with a clean finish from long maturation.

Big Bear Lake Oktoberfest delivers a genuine Deutschland-style celebration with alpine scenery and heritage that sincerely reflects the spirit of the original Munich Oktoberfest. There are two full service bars located inside the Convention Center and three different beer gardens (beer gardens) outside, which includes the Sports Garten, Wyatt's Bier Garten, and Warsteiner Bier Garten. Also returning is the Craft Haus, which provides a variety of micro brews and craft beer, ideal for beer connoisseurs.

The German beer served at Big Bear Lake Oktoberfest is only a segment of what makes it stand out as one of the most genuine Oktoberfest celebrations in America. The food is authentic as well as the bands. In fact, three dif-

ferent German bands will perform in a six-week span of an eight-weekend stretch that starts September 9 and ends October 28, bringing the quintessential music of Bavaria to Big Bear.

The bands performing at this year's Big Bear Lake Oktoberfest includes Mats's Infinity on September 16-17 and September 22-23. Matt's Infinity brings its signature live performance of true grit and a unique blend of traditional and modern German music. Goldeisen, a nine-piece band that hails from Bavaria, performs September 30 and October 1 and October 6-8. Goldeisen has gained a cult following in Southern Germany because of two Oktoberfest hits on the official Munich Oktoberfest's "Best Oktoberfest Hits" compilation.

The Aalbachtal Express, also from Southern Germany, returns to Big Bear for the third year in a row, taking the stage October 14-15 and October 21-22. This 12-piece band (the largest ever for Big Bear Lake Oktoberfest) has grown a solid reputation throughout Europe for its authenticity and upbeat live shows. All three German bands play a unique blend of tradi-

tional German polkas and sing-alongs mixed with classic rock, country hits and dance-floor standards.

The Express Band, Southern California's premier German band, performs the first weekend (September 9-10). The band is to be determined for the final date on October 28.

Every band that performs at Big Bear Lake Oktoberfest creates the perfect vibe for a down-to-earth German celebration.

Fun competitions and contests at Oktoberfest include log sawing, stein carrying, shoot and yodel, a version of beer pong, and stein holding. Children's fun and games include kiddie mug holding matches and Midway carnival-style games. Dance troupes perform customary dances, the bratwurst and knockwurst is from a German butcher in Los Angeles, and fresh apple strudel as well as pretzels are delivered weekly from a German bakery in Downey.

Both original and cover bands play live rock 'n' roll, blues, and country on the outdoor Wyatt's Stage. The Chicken Dance is the definitive favorite dance at Oktoberfest and always amusing. Every weekend expect to see a huge dance floor filled with hundreds of revelers clucking away to the Chicken Dance.

For more details regarding tickets, Burgermeister Party Packs, and general information, log on to [BigBearEvents.com](http://BigBearEvents.com) or call (909) 585-3000. 

The Big Bear Lake Oktoberfest begins Saturday, September 9 and runs for eight consecutive weekends through Saturday, October 28. The weekend festivities takes place at The Convention Center of Big Bear Lake located at 42900 Big Bear Blvd. Big Bear Oktoberfest kicks off with American's Hero weekend on Saturday, September 9, offering free admission for all past and present military, fire fighters, and law enforcement. The first three weekends (Sept. 9-10 to Sept. 23-24) general admission on Saturdays is \$14.99 for adults, \$10.99 for seniors (62+), and \$8 for children 12 and under; Sunday admission prices are \$8 for adults, \$6 for seniors, and children 12 and under FREE. # An Evening Of Family Worship And Praise With The Collingsworth Family

**E**xcitement, spiritual anointing, family-emphasis, and musical excellence are what you can expect to find when you step across the threshold of the auditorium for an Evening of Family Worship and Praise with The Collingsworth Family.

The Collingsworth Family will perform in Riverside on Oct. 7 at Magnolia Baptist Church at 6pm.

Since their first engagement together as musicians for a church camp in Petersburg, Michigan in August, 1986 until now, their boundaries of influence have expanded until they have sung and played all over the United States (as well as internationally) into their 27th year. Their constant, persistent attention to cutting-edge arranging, musical excellence, and a proper balance of spiritual emphasis are the keys to success.

Phil and Kim Collingsworth's base of ministry began during their college days. Phil is a 1986 graduate of God's Bible School & College, Cincinnati, OH. This is the famous, one-hundred-plus-year-old college that is well-known within Christian education ranks for having been the American college where Oswald Chambers ("My Utmost For His Highest") taught.

Phil also completed professional trumpet studies at College Conservatory of Music, University of Cincinnati, and earned a Bachelor

of Sacred Music degree with a double major in trumpet performance and music education.

Kim attended Union Bible College, Westfield, IN where she was instrumental in arranging most of the music that was performed by the college's traveling music groups.

Since that time they have maintained a public performance ministry, which for the first fourteen years included doing music presentations for church camps and extended-length revival campaigns. They have also held the positions of Ministers of Music, Hobe Sound Bible Church, Hobe Sound, FL; Director, Music Division, Union Bible College, Westfield, IN; and Phil was Dean of Enrollment Management at his Alma Mater, God's Bible School & College, Cincinnati, OH.

In January, 2000, Phil and Kim transitioned to a new, all-concert ministry. They began recording professionally and currently utilize Nashville's most award-winning producers, Wayne Haun and David Clydesdale. This new emphasis began to expand their boundaries rapidly. Their home has seen the addition of four children across the years and the children are now very actively involved in the ministry. Their two oldest daughters are quite proficient on the violin and play at each of their concerts. Their entire family sings together in an ensemble. Kim is well-known for

her phenomenal mastery of the piano and the extraordinary talent God has given her is a part of each concert, as well as trumpet solos from Phil.

Their newest full-scale studio project, *That Day Is Coming*, released September, 2015 includes their current national radio single, "Gotta Get To Jesus" written by Helga Kaefer and Rachel McCutcheon and promoted to radio by Rhonda Thompson Promotions.

Their ministry has been featured on the nation's largest gospel music syndicated radio program, The Gospel Greats with Paul Heil as well as on Daniel Britt & Friends on XM/SIRIUS Satellite Radio's Enlighten. Their music is regularly featured on Enlighten, GMT (Gospel Music Television), The DayStar Television Network, and has also been featured in one hour prime-time specials on the INSP Television Network. The Collingsworth Family, at the personal invitation of Bill and Gloria Gaither, appeared on the newest Homecoming Series taping filmed at the Grand Ole Opry in Nashville, TN. They have also been added as regulars on many of the Gaither Homecoming Concerts, making appearances with Gaithers in some of their largest venues in the US and Canada.

# POWER & CONTROL, CSUSB THEATRE ARTS PRESENTS THE 2017-2018 SEASON

New Plays, Shakespeare, Frankenstein's Monster, and... wait, what's its name!?!?

**C**SUSB's Department of Theatre Arts presents the 2017-2018 Season of Power & Control that will take you from a mysterious island of gods, to a madman's laboratory, into a musical town with ... more than a few *fluid* issues on the main stage.

## THE TEMPEST

*"Hell is empty and all the devils are here."*  
– Ferdinand

William Shakespeare's classic, *The Tempest*, splashes down on the Ronald E. Barnes stage Nov. 10. Directed by department chair professor Terry Donovan Smith, *The Tempest* tells the tale of a royal family stranded on a mysterious island ruled by Prospero, a magical, deposed duke orchestrating an elaborate plan to reclaim his lordship by marrying his daughter off to the love-struck castaway Ferdinand, while the other castaways plot to overthrow him and take over the island.

This modern take on a true Shakespearean classic will run Nov. 10, 11, 16, 17 and 18 at 8pm, Nov. 12, 18 and 19 at 2pm.

## FRANKENSTEIN

*"I, the miserable and the abandoned, am an abomination, to be spurned at, and kicked, and trampled on."* – *The Monster*

Mary Shelley's masterpiece *Frankenstein* opens March 9, adapted and directed by professor Tom Provenzano. Based on the original story from Mary Shelley, this tale of horror

is not about a mindless beast, but a creation longing for acceptance and companionship. When Dr. Victor Frankenstein recounts the chilling tale of his greatest triumph and the gravest tragedies that occurred as a result, the question must be asked: Is it nature or nurture that truly makes one a monster?

Mary Shelley's *Frankenstein* will rise on the Barnes Theatre stage March 9, 10, 15, 16, and 17 at 8pm, March 11 and 18 at 2pm.

## FAMILY NIGHT AT THE THEATRE

The always popular, **FREE** *Family Night at the Theatre* returns Friday, May 25, at 6pm. Enjoy an evening of dance, music, and theatre with workshops for the entire family followed by performances by CSUSB and local elementary school students. Available workshops include: dance, music, poetry/writing, masks or puppetry, and theatre. Workshop spaces are limited, and reservations are recommended. Reserve your spot online at [theatre.csusb.edu](http://theatre.csusb.edu).

## URINETOWN

*"Gosh, Daddy, I never realized large, monopolizing corporations could be such a force for good in the world!"* – Hope

It is a privilege to pee! On June 1, The Ellen Weisser Endowed Theatre Showcase flushes the 2017-2018 Season down with the Tony Award winning musical *Urinetown*, music and lyrics by Mark Hollmann, book and lyrics by Greg Kotis, and directed by professor Kathryn Ervin. There is a terrible water short-

age in the world and private toilets have been banned. The private corporation Urine Good Company, or UGC, controls water consumption by charging the masses for use of public facilities, and those that cause trouble are sent to Urinetown never to be seen again. But when the price to pee perpetually increases, the people rebel!

With a total of eight performances, *Urinetown* plays June 1, 2, 7, 8 and 9 at 8pm, with matinee performances June 3, 9, and 10 at 2pm.

## BLACK BOX PRODUCTIONS

In addition to their three main stage productions, they will also have two Black Box productions: a Student New Play Showcase in the fall, as well as a student-produced play in the winter quarter.

# Riversider's Recycle!

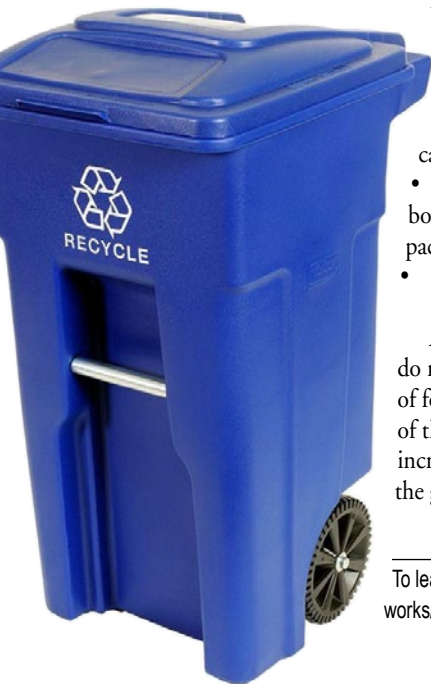

**T**hank you for reducing, reusing, and recycling. We have done a great job in keeping materials out of the landfill. Now we need to ensure we put the right materials into the BLUE Recycling cart.

Here are the basic items to recycle:

- All clean and dry paper/cardboard (copy, newsprint, paperboard— cereal, tissue box, etc.)
- All empty metal containers and cans
- All plastics (1-7, water/soda bottles, detergent bottles, Styrofoam, packaging)
- All empty glass bottles and jars

Always empty food containers. They do not have to be washed just wiped out of food residue. Lowering contamination of the recycle cart helps our programs and increases our diversion efforts! Keep up the good job.
